§9.5–206.

(a) The Executive Fellows Program is established to provide an opportunity for individuals from the private sector with demonstrated leadership and managerial potential to participate in State government.

(b) Criteria or guidelines for the recruitment, selection, and assignment of executive fellows shall be developed in consultation with representatives of the business community and appropriate State units.

(c) A committee shall be appointed by the Governor to select qualified applicants to participate in the Executive Fellows Program.
