§15–309.

A person may not forge or counterfeit a certificate or permit of competence, or any official copy, or knowingly make or cause to be made any false statement in any certificate, permit, or any official copy provided for by this subtitle, or urge another to do so, or knowingly use any forged or false certificate, permit, or official copy, or knowingly make, give, alter, or produce, or use any false declaration, representation, or statement in any certificate, permit, or official copy or obtain any certificate, permit, or any document containing the official copy.
