Article - Health - General

[Previous][Next]

§24–108.

(a) The Secretary of Health or a representative of the Secretary of Health may inspect the facilities of any permit holder.

(b) On request, any permit holder or the Secretary of Health shall make available to the State Secretary of Agriculture any record, specimen, or other material necessary to diagnose or trace any infectious disease that:

(1) Occurs in an exotic bird; and

(2) Is contagious to domestic animals or poultry.
