§24–1505.

A county or municipality awarded a grant from the Fund shall submit annually to the Secretary and, in accordance with § 2–1257 of the State Government Article, the General Assembly a report that includes data describing:

(1) The services provided;

(2) The number of individuals receiving services;

(3) Outcomes for individuals receiving services; and

(4) An assessment of the funded activities' ability to scale.
