Committee Narrative

Site Improvements Encumbrances and Expenditures Report: The budget committees have previously requested updates regarding annual project encumbrances and expenditures for the Site Improvements project at Historic St. Mary’s City. This committee narrative requests that the Historic St. Mary’s City Commission (HSMCC) submit a report by December 1, 2024, detailing year-to-date encumbrances and expenditures for all site improvement projects. The report should also include the priority level of each project and any changes in timelines, designs, or priorities within the Site Improvements project.

Department of General Services (DGS) Relocation and 2100 Guilford Avenue Status Report: DGS is moving agencies out of State Center and into leased space in Baltimore City, while DGS itself has not determined a new location for its headquarters. DGS has decided not to move forward with renovation and relocation to 2100 Guilford Avenue and will be issuing a request for information to determine alternative uses of the property. DGS should report on the status of its own relocation and on the status of determining a use for the 2100 Guilford Avenue property.

Authorization
5,000,000

Explanation: This action reduces the general obligation bond authorization for the Maryland Agricultural Cost-Share Program (MACS) by \$3,000,000. MACS has been unable to encumber the full amount of its annual authorizations in a timely manner in recent years. This reduction leaves \$8,000,000 for the program when accounting for the \$3,000,000 in funding estimated to be available from fiscal 2024.

RM00
Morgan State University

Committee Narrative

Lake Clifton Redevelopment Plan: Morgan State University (MSU) has recently acquired the Lake Clifton High School property from Baltimore City. This new site will serve as a satellite campus to the main campus. This property will be the university’s largest expansion with the acquisition of 59 acres. With the demolition of the existing property scheduled to be completed by December 2025, the committees request that MSU expeditiously develop a redevelopment plan to ensure that the property does not sit vacant longer than necessary. The committees request that MSU provide a report by December 15, 2024, that outlines the progress of the master redevelopment plan, the redevelopment scope, identifies the stakeholders, provides the estimated cost and fund sources, and provides the anticipated project timeline.

Local Jails and Detention Centers

Committee Narrative

Adopt the following narrative:

Local Jail Population Report: The budget committees request that fiscal 2024 local jail average daily population (ADP) data be provided by the Department of Public Safety and Correctional Services (DPSCS). In addition to the Annual Summary of Maryland Local Jail Statistics, which shows ADP data by county, DPSCS should provide the following for each local jail or detention center:

- operational capacity at the end of each month, making note of specialized population beds that cannot be used by general population inmates;
- the ADP for each month, separated by male and female offenders;
- the number of days each facility exceeded operational capacity each month; and
- the peak inmate population at each facility per month.

ZF0050 Section 1(9)..... \$ 0

Amend the following language:

(9) (a) Subject to subparagraphs (b) ~~and (c)~~ through (e) of this paragraph, the Board of Public Works may approve an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act, notwithstanding ~~technical~~ differences in:

(i) The name of the grantee or the description of the project, provided that the proposed use of funds is consistent with the public purpose of the original appropriation; or

(ii) The location of the project.

(b) ~~The~~ When the difference in the name of the grantee is nonsubstantive and the identity of the grantee can be determined, and when the difference in the description of the project is nonsubstantive and is consistent with the public purpose of the original appropriation, the Department of General Services shall record the correct grantee identification and project description in the grant agreement entered into by the grantee with the State of Maryland and recorded with the Board of Public Works. In all other instances of differences provided in subparagraph (a) of this paragraph, the Department of Budget and Management shall notify the Office of Policy Analysis within the Department of Legislative Services in writing of:

(i) The ~~technical~~ differences between an appropriation in Section 1(3) Items ZA00 through ZB02 of this Act and the proposed use of the funds; and

(ii) The justification that the proposed use of the funds is consistent with the public purpose of the appropriation.

(c) (i) The Office of Policy Analysis shall have 45 days to review and comment on the proposed use of the funds.

(ii) If the Office of Policy Analysis does not submit written objections within 45 days, the Department of Budget and Management shall provide certification in writing to the Board of Public Works that the proposed use of funds may be approved notwithstanding ~~technical~~ differences in the appropriation in Section 1(3) Items ZA00 through ZB02 of this Act.

(d) It is the intent of the General Assembly that the provisions of this paragraph:

(i) provide an administrative process authorizing the approval of grants by the Board of Public Works, provided that the proposed use of funds is consistent with the public purpose of the original appropriation; and

(ii) be applicable to this Act and all prior Maryland Consolidated Capital Bond Loans.

Section 1(9)

Explanation: This action amends language on administrative procedures for the approval of modifications to miscellaneous grants to expand the scope of permitted modifications and expresses the intent of the General Assembly regarding the purpose and applicability of the approval procedures.
