§10–208.

The governing boards of public senior higher education institutions shall, with respect to institutions under their jurisdiction:

(1) Set education policy and adopt mission statements;

(2) Establish goals that are consistent with the roles and missions approved for the institutions;

(3) Select presidents;

(4) Establish guidelines for admission standards that are consistent with the roles and missions approved for the institutions;

(5) Set guidelines for tuition and mandatory fees;

(6) Evaluate and approve short-range and long-range plans; and

(7) Evaluate and approve institutional budget submissions.
