§19–714.

Each marketing document that sets forth the health care services of a health maintenance organization shall describe fully and clearly:

(1) The health care services under each benefit package and every other benefit to which a member is entitled;

(2) Where and how services may be obtained;

(3) Each exclusion or limitation on any service or other benefit that it provides;

(4) Each deductible feature;

(5) Each copayment provision; and

(6) All information required by § 15-1206 of the Insurance Article.
