19 BY repealing

20 Article 48 - Inspections

21 Section 111 through 115 and the subtitle "Protection of Workingmen and Others
22 Against Unsafe Scaffolding"

23 Annotated Code of Maryland

24 (1998 Replacement Volume and 1999 Supplement)

25 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
26 MARYLAND, That the Laws of Maryland read as follows:

1

Article 48 - Inspections

2

[Protection of Workingmen and Others Against Unsafe Scaffolding]

3 [111.

4 Whenever complaint is made to the commissioner of police or to the inspector, or
5 other persons in charge of the police force of any city or town in this State, that the
6 scaffolding used in the construction, altering, repairing or painting of any building
7 within the limits of such city or town is unsafe and dangerous to the life and limb of
8 any person, it shall be the duty of such police commissioner, inspector of police, or
9 other persons in charge of the police force to immediately detail a competent police
10 officer to inspect such scaffolding forthwith, with instructions to prohibit the further
11 use of such scaffolding, and, if after proper examination he finds the complaint well
12 founded, to require that it be altered or reconstructed in such manner as to render it
13 no longer dangerous to life or limb. It shall be the duty of the officer making the
14 examination to attach a notice to such scaffolding, stating that he has made such
15 examination, and that he has found it safe or unsafe, as the case may be. If he
16 declares it to be unsafe he shall at once, in writing, notify the person or persons
17 responsible for its erection of the fact, and warn them against using it, or permitting
18 or suffering any person or persons to use it, and such notice may be served upon the
19 responsible person or persons, or by conspicuously affixing it to the scaffold declared
20 to be unsafe; after such notice is served or affixed, it shall be the duty of the persons
21 responsible therefor to immediately remove such scaffolding, or to alter or strengthen
22 it in such a manner as to render it safe, in the discretion of the officer who has
23 condemned it or of his superiors.]

24 [112.

25 It shall be the duty of the police commissioner, inspector of police, or other
26 persons in charge of the police force of any city or town of this State, when complaint
27 is made to them or any of them that the slings, hangers, blocks, pulleys, stays, braces,
28 irons or ropes of any swinging or stationary scaffolding used in the painting, cleaning
29 or pointing of any building within the limits of such city or town are unsafe or liable
30 to prove dangerous to the life or limb of any person, to detail a competent police officer
31 to examine, and, if necessary, test the same; immediately after making such
32 examination or test he shall attach thereto a certificate stating that he has made such
33 examination or test and that he has found such slings, hangers, irons or ropes, or any
34 of them, safe or unsafe, as the case may be; if he declares unsafe the whole or any
35 portion of such swinging or stationary scaffolding, he shall at once, in writing, notify
36 the person or persons responsible for the same of the fact, and warn them against
37 using or suffering or permitting any person or persons to use them, and such notice
38 may be served upon the person or persons responsible, or by conspicuously affixing it
39 to the condemned or defective article; after such notice is served or affixed, it shall be
40 the duty of the responsible person or persons to remove or cause to be removed the
41 scaffolding, or that part of it which has been condemned, or to alter and strengthen it
42 in such manner as to render it safe, in the discretion of the officer who has tested or
43 examined it or his superiors.]

1 [113.

2 All swinging and stationary scaffolding shall be so constructed as to bear three
3 times the maximum weight required to be dependent from or placed thereon when in
4 use, and not more than one person shall be allowed on a given scaffold to each tackle
5 and each person shall be provided with a lifeline sufficiently strong to bear twice his
6 weight, secured independently of the other scaffolding.]

7 [114.

8 Any officer detailed to examine or test any scaffolding or portion thereof as
9 required by §§ 111 and 112 shall have free and unobstructed access at all reasonable
10 hours to any building or premises containing them or where they may be in use.]

11 [115.

12 Any person who violates or omits to comply with any of §§ 111 to 114 or who
13 suffers or permits the use of any article or scaffolding declared by a proper officer to
14 be defective, or who destroys or defaces any notice posted in accordance with any of
15 the said provisions, or who hinders or obstructs any officers who may be detailed to
16 enforce said provisions shall be deemed guilty of a misdemeanor, and on conviction in
17 a court of competent jurisdiction be fined not less than twenty-five nor more than one
18 hundred dollars.]

19 SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect
20 October 1, 2000.
