3 wheelchair or other device used for mobility assistance.

4 (c) "Consumer" means any of the following:

5 (1) The purchaser of a motorized wheelchair, if the motorized wheelchair
6 was purchased from a motorized wheelchair dealer or manufacturer for purposes
7 other than resale;

8 (2) A person to whom the motorized wheelchair is transferred for
9 purposes other than resale, if the transfer occurs before the expiration of an express

16 (e) (1) "Early termination cost" means any expense or obligation that a
17 motorized wheelchair lessor incurs as a result of both the termination of a written

20 (2) Early termination cost includes a penalty for prepayment under a
21 finance arrangement.

22 (f) (1) "Early termination savings" means any expense or obligation that a
23 motorized wheelchair lessor avoids as a result of both the termination of a written
24 lease before the termination date set forth in that lease and the return of a motorized
25 wheelchair to a manufacturer under § 14-2703(c)(3) of this subtitle.

26 (2) Early termination savings includes an interest charge that the
27 motorized wheelchair lessor would have paid to finance the motorized wheelchair or,
28 if the motorized wheelchair lessor does not finance the motorized wheelchair, the
29 difference between the total amount for which the lease obligates the consumer

9 is covered by an express warranty applicable to the motorized wheelchair or to a
10 component of the motorized wheelchair, but does not include a condition or defect that
11 is the result of abuse, neglect, or unauthorized modification or alteration of the
12 motorized wheelchair by a consumer.

13 (l) "Reasonable attempt to repair" means any of the following occurring
14 within the term of an express warranty applicable to a new motorized wheelchair or
15 within 1 year after first delivery of the motorized wheelchair to a consumer,
