9 other than the Corporation, but such bonds shall be payable solely from the funds
10 herein provided. All bonds of the Corporation shall contain on their face a statement
11 to the effect that neither the State of Maryland nor any political subdivision thereof
12 other than the Corporation shall be obligated to pay the same or the interest on them
13 except from revenues pledged to them and that neither the full faith and credit nor
14 the taxing power of the State or any political subdivision thereof is pledged to the
15 payment of the principal of or the interest on the bonds. The issuance of bonds under
16 this subtitle is not directly or indirectly or contingently an obligation, moral or other,
17 of the State of Maryland or any political subdivision thereof to levy or pledge any form
18 of taxation whatever therefor or to make any appropriation for their payment.
19 Nothing in this section shall prevent the Corporation from pledging its full faith and
20 credit to the payment of bonds authorized under this subtitle. However, this section
21 does not limit the ability of the State or a subdivision to set, impose, or collect an
22 assessment, rate, fee, or charge to pay to the Corporation the cost of a project,
23 including the principal of and interest on a bond, under an agreement between the
24 Corporation and the State or political subdivision.

27 or places of payment of principal and interest which may be a bank or trust company
28 within or outside of the State.

29 (e) The bonds shall be executed in the manner determined by the Corporation.
30 If any officer whose signature or facsimile thereof appears on any bond ceases to be
31 such officer before the delivery of the bonds, the signature or facsimile thereof shall
32 nevertheless be valid and sufficient for all purposes the same as if the officer had
33 remained in office until the delivery.

34 (f) All bonds issued under the provisions of this section have and are hereby
35 declared to have, as between successive holders, all the qualities and incidents of
36 negotiable instruments under the Negotiable Instruments Law of the Uniform
37 Commercial Code of this State. Provisions may be made for the registration of bonds.

38 (g) The bonds shall be sold by the Corporation, at public or private sale, in
39 such manner and for such price as it may determine to be for its best interests. None

41 have any application to the bonds hereby authorized and the bonds are explicitly
42 exempted from those provisions.

1 (h) (1) The Corporation may provide for the issuance of its bonds for the
2 purpose of refunding any [of its] bonds then outstanding, including the payment of

5 if deemed advisable by the Corporation, for the additional purpose of paying all or any
6 part of the cost of a project. Refunding bonds may be issued by the Corporation for

8 effective costs of debt service, directly or through a debt restructuring, or alleviating
9 an impending or actual default or relieving the Corporation of contractual agreements
10 which, in the opinion of the Corporation, have become unreasonably onerous or
11 impracticable or impossible to perform. Refunding bonds in 1 or more series may be
12 issued in an amount in excess of that of the bonds to be refunded. Without limiting
13 the extent or nature of any sources of payment provided by the Corporation,
14 refunding bonds may be made payable from escrowed bond proceeds and from
15 interest, income, and profits, if any, on investments. Such sources may be so applied
16 in addition to other lawful uses and shall constitute revenues of a project under this
17 subtitle.

18 (2) The proceeds of bonds issued for the purpose of refunding
19 outstanding bonds may, in the discretion of the Corporation, be applied to the
20 purchase or retirement at maturity or redemption of such outstanding bonds either
21 on their earliest or any subsequent redemption date, and may, pending such
22 application, be placed in escrow to be applied to such purchase or retirement at
23 maturity or redemption on such date as may be determined by the Corporation.

24 (3) (I) Any escrowed bond proceeds, pending such use, may be invested
25 and reinvested in [obligations of or guaranteed by the United States of America, or in
26 certificates of deposit or time deposits secured by obligations of or guaranteed by the
27 United States of America,] INVESTMENTS AND OTHER OBLIGATIONS maturing at
28 such time or times as shall be appropriate to assure the prompt payment, as to
29 principal, interest, and redemption premium, if any, of the outstanding bonds to be so
30 refunded.

31 (II) THE INVESTMENT OF THE BOND PROCEEDS SHALL BE:

32 1. DETERMINED BY THE CORPORATION; OR

34 THE CORPORATION TO A PERSON PURSUANT TO SUBSECTION (K) OF THIS SECTION,

37 any [such investment] THE INVESTMENTS OR OTHER OBLIGATIONS may also be
38 applied to the payment of the outstanding bonds to be so refunded.

39 (IV) After the terms of the escrow have been fully satisfied and
40 carried out, any balance of [such] THE proceeds and interest, income, and profits, if
41 any, earned or realized on [the investments thereof] THE INVESTMENTS OR OTHER

1 OBLIGATIONS may be returned to the Corporation OR THE PERSON BEING LOANED
2 THE PROCEEDS OF THE BONDS for use [by it] in any lawful manner.

3 [(4)] (I) (1) The portion of the proceeds of any [of its] bonds issued for
4 the [additional] purpose of paying all or any part of the cost of a project may be
5 invested and reinvested in [obligations of or guaranteed by the United States of
6 America, or in certificates of deposit or time deposits secured by obligations of or
7 guaranteed by the United States of America, maturing] INVESTMENTS AND ANY
8 OTHER OBLIGATIONS MATURING not later than the time or times when such proceeds
9 will be needed for the purpose of paying all or any part of such cost.

10 (2) THE INVESTMENT OF THE BOND PROCEEDS SHALL BE:

11 (I) DETERMINED BY THE CORPORATION; OR

12 (II) IF THE PROCEEDS OF THE BONDS ARE BEING LOANED BY THE
13 CORPORATION TO A PERSON PURSUANT TO SUBSECTION (K) OF THIS SECTION,
14 DETERMINED BY THE PERSON.

15 (3) The interest, income, and profits, if any, earned or realized on [such
16 investment] THE INVESTMENTS OR OTHER OBLIGATIONS may be applied to the
17 payment of all or any part of [such] THE cost or may be used by the Corporation OR
18 THE PERSON BEING LOANED THE PROCEEDS OF THE BONDS in any lawful manner.

22 assignment made by the Corporation. Any pledge or assignment shall be valid and
23 binding against any person having a claim of any kind against the Corporation, in
24 contract, tort, or otherwise, irrespective of whether the person has notice and shall be
25 prior to such claim. No resolution, trust indenture, assignment, financing agreement,
26 or other instrument creating a lien on, security interest in, or assignment of any

29 records of the Corporation.

30 [(j)] (K) The Corporation may lend or otherwise make available the proceeds
31 of its bonds to any person in order to finance or refinance the costs of any project, and
32 may enter into such financing agreements, mortgages, and other instruments as it
33 may determine to be necessary or desirable to evidence or secure such loan. If any
34 project is leased to any person, the lease may provide that upon the payment of the
35 bonds that financed or refinanced the cost of the project and interest thereon (or
36 provision for such payment satisfactory to the Corporation), the lessee or another
37 person may or shall purchase or otherwise acquire the project for such consideration,
38 which may be nominal, as may be established by the Corporation.

39 [(k)] (L) (1) At the discretion of the Corporation, the bonds may be secured
40 by a trust indenture by and between the Corporation and corporate trustee, which
41 may be any trust company or bank having the powers of a trust company within or
42 outside of the State. Either the resolution providing for the issuance of bonds or the

1 trust indenture may contain provisions for protecting and enforcing the rights and
2 remedies of the bondholders, including covenants setting forth the duties of the
3 Corporation in relation to the custody, safeguarding, and application of all moneys. It
4 shall be lawful for any corporation or trust company incorporated under the laws of
5 this State to act as depository of the proceeds of the bonds or revenues and to furnish
6 any indemnity bonds or to pledge any securities that the Corporation requires.

7 (2) The resolution or trust indenture may set forth the rights and
8 remedies of the bondholders and of any trustee, and may restrict the individual right
9 of action of bondholders. The Corporation may provide by resolution or by the trust
10 indenture for the payment of the proceeds of the sale of the bonds and the revenues of
11 the Corporation to such officer, board, or depository as it determines for their custody
12 and for the method of disbursement, with such safeguards and restrictions as it
13 determines. All expenses incurred in carrying out any trust indenture may be treated
14 as a part of the cost of operation of the Corporation.

17 administration of any funds it may require. Money in these funds and other money of
18 the Corporation shall be deposited, as directed by the Corporation, in any State or
19 national bank, or federally or State insured savings and loan associations [located in
20 the State] having a total paid-in capital of at least \$1,000,000. The trust department
21 of any State or national bank or savings and loan association may be designated as a
22 depository to receive any securities acquired or owned by the Corporation.

23 5-215.
