5 BY repealing and reenacting, without amendments,  
6 Article - Natural Resources  
7 Section 10-607(b)  
8 Annotated Code of Maryland  
9 (2000 Replacement Volume and 2001 Supplement)

10 *Preamble*

11 *WHEREAS, Under Chapter 4 of the Acts of the General Assembly of the First*  
12 *Special Session of 1973, the Maryland General Assembly enacted the nonsubstantive*  
13 *code revision of a new Natural Resources Article; and*

14 *WHEREAS, Although the Court of Appeals has held that this 1973 Act did not*  
15 *effectuate a substantive change in the law, Bureau of Mines v. George's Creek, 272 Md.*  
16 *143, 155 (1974), language inserted by that Act prohibiting a nonresident from*  
17 *obtaining a stationary blind or blind site license for riparian shoreline did cast doubt*  
18 *on the rights of out-of-state riparian owners to obtain this license; and*

19 *WHEREAS, In the process of transferring blind site licensing authority from the*  
20 *clerks of court to the Department of Natural Resources, Chapter 703 of the Acts of 1999*  
21 *added an express prohibition on the blind site licensing of nonresident riparian owners*  
22 *adjacent to the Potomac River; and*

23 *WHEREAS, In its September 7, 2001 review of this issue, the Office of the*  
24 *Attorney General of Maryland found that, under the Privileges and Immunities Clause*  
25 *of the U. S. Constitution, the denial of shoreline licensing rights solely to out-of-state*  
26 *residents has an unconstitutional effect on the commercial rights of these individuals;*  
27 *and*

28 *WHEREAS, The tidal portion of the Potomac is bordered by Virginia and*  
29 *Maryland, and its shoreline is well suited to licensing stationary blinds and blind*  
30 *sites; and*

31 *WHEREAS, The nontidal portion of the Potomac is bordered by Virginia, West*  
32 *Virginia, and Maryland, and the vast majority of this Maryland shoreline is owned by*  
33 *the federal government and is, therefore, unavailable for shoreline licensing; and*

34 *WHEREAS, What little of the nontidal Potomac shoreline in Maryland that is*  
35 *not federally owned consists of both mainland shoreline and islands; and*

36 *WHEREAS, Given the statutory authorization of hunting wild waterfowl from a*  
37 *boat that is drifting or being sculled, also known as "sneak boating", in the nontidal*  
38 *waters of the Potomac River under § 10-605(a) of the Natural Resources Article, the*

1 mainland shoreline is not appropriate for the establishment of stationary blinds or  
 2 blind sites; and

3 WHEREAS, The island shoreline, which is better suited for the establishment of  
 4 these blinds and blind sites, is an area for which shoreline licenses are already issued;  
 5 and

6 WHEREAS, The General Assembly seeks to address prior oversights in the law  
 7 regarding the shoreline licensing rights of nonresidents and to correct this inadvertent  
 8 discrimination to the fullest extent possible, while recognizing the limitations operative  
 9 on the mainland portion of the State shoreline that is adjacent to the nontidal Potomac  
 10 River; and

11 WHEREAS, The General Assembly hereby provides for the equal treatment of  
 12 residents and nonresidents in the licensing of stationary blinds and blind sites along  
 13 the Potomac shoreline in Maryland by authorizing the issuance of these licenses along  
 14 shoreline that is adjacent to the tidal waters of the Potomac River, as well as on the  
 15 island shoreline that is adjacent to the nontidal waters of the Potomac, and by  
 16 prohibiting the issuance of licenses along the mainland shoreline that is adjacent to  
 17 the Potomac's nontidal waters; now, therefore,

18 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF  
 19 MARYLAND, That the Laws of Maryland read as follows:

20 **Article - Natural Resources**

21 10-607.

22 (a) (1) [This] EXCEPT AS PROVIDED IN PARAGRAPH (2) OF THIS  
 23 SUBSECTION, THIS section shall apply only to owners of riparian property in

25 (2) ~~Persons~~ PERSONS UNDER THIS SUBTITLE, PERSONS owning riparian property  
 26 in:

27 (I) MARYLAND OR Virginia [or West Virginia] that is adjacent to  
 28 the TIDAL WATERS OF THE Potomac River may [not] license ~~their~~ STATE shoreline  
 29 ~~under this subtitle; AND~~

30 (II) MARYLAND, VIRGINIA, OR WEST VIRGINIA THAT IS ADJACENT  
 31 TO THE NONTIDAL WATERS OF THE POTOMAC RIVER:

34 (b) Riparian landowners may license their riparian shoreline:

35 (1) To establish offshore stationary blinds or blind sites for hunting wild  
 36 waterfowl; and

1                   (2)       To prevent other persons from licensing the riparian shoreline for the  
2 purpose of hunting wild waterfowl offshore.

3       SECTION 2. AND BE IT FURTHER ENACTED, That this Act shall take effect  
4 June 1, 2002.
