Camp Grove Point is a 247 acres property located on the Sassafras River in Earleville, Maryland. This camp serves as the Council's Resident Camp. Over 1,000 girls camp during the 8-week resident season and over 6,000 weekend campers enjoy Camp Grove Point throughout the year. The capital improvements include the creation of a three-season, modest "green" equestrian center and new unit shelters at five camping sites that will include compost toilets.
