Port Discovery provides a safe, fun and nurturing place where children and families can learn through play, together. It's mission is to educate children and ignite their imaginations in an environment that encourages exploration, discovery, and learning through interactive play. The museum plays a vital role in providing "play to learn" experiences that lay the groundwork not only for academic success but also for lifelong learning. Port Discovery is truly distinctive because it focuses entirely on children from birth to age ten and offers age-appropriate activities designed to awaken each child's imagination, creativity, and talents. All of Port Discovery's curriculum-based exhibits and programs correlate to Maryland's educational reform standards. Museum services include structured school visits, state-subsidized admissions for school groups, after-school programs, free and low-cost community-based programs, family memberships, corporate memberships, overnights, and general admission.
