10. Description and Purpose of Grantee Organization (3000 characters maximum)				
<p>The City needs space for its administrative operations currently housed at an overcrowded former elementary school. A recent space needs analysis prepared by a consulting architect indicated a need for 55,000 square feet for general administration, and 25,000 square feet for the new Police Department.</p> <p>The City of Bowie is implementing its own police department, following a 77% favorable vote in a November 2005 referendum. The Chief and Deputy Chief were hired in 2006, and six officers were sworn in on February 12, 2007. Fifteen officers are expected to be on staff by June 30, 2007. City Council envisions a department containing 57 sworn officers and 11 civilian personnel. It is expected to take about five years to achieve this staffing goal. Until a new facility is built the Police Department is being housed in temporary quarters (trailers) behind the current City Hall.</p> <p>The Bowie Municipal Center will be built on City-owned property at Bowie Town Center. Preliminary estimates peg the project cost at approximately \$31,000,000.</p>
