1 AN ACT concerning

2 **Maryland Transit Administration - Transit-Oriented Development**

3 FOR the purpose of establishing that the realization of certain transit-oriented
4 development of certain property located near transit stations is a transportation
5 purpose that is essential for the attainment of certain objectives; defining
6 certain terms; and generally relating to transit oriented development.

7 BY repealing and reenacting, with amendments,
8 Article - Transportation
9 Section 7-101 and 7-102
10 Annotated Code of Maryland
11 (2001 Replacement Volume and 2007 Supplement)

12 Preamble

13 WHEREAS, In recognition of the role transit plays in reducing highway
14 congestion and greenhouse gas emissions, it is the intent of the General Assembly that
15 land uses surrounding transit stations throughout the State be developed in a manner
16 that is conducive to greater transit ridership and designed to promote transit, walking,
17 and bicycling in addition to the automobile as means of transportation; and

18 WHEREAS, Households within one-half of a mile of transit service own fewer
19 automobiles than households where transit is not available and people who live near
20 transit are more likely to use transit to commute; and

21 WHEREAS, Transit-oriented development includes a mix of uses built in a
22 compact form that is oriented to the transit station, streets designed to be safe and
