7 SECTION 1. BE IT ENACTED BY THE GENERAL ASSEMBLY OF
8 MARYLAND, That the Laws of Maryland read as follows:

9 **Article – Estates and Trusts**

10 13–101.

11 (a) In this title the following words have the meanings indicated.

12 (e) “Disabled person” means a person other than a minor who:

13 (1) (i) Has been judged by a court to be unable to manage his
14 property for reasons listed in § 13–201(c)(1) of this title; and

15 (ii) As a result of this inability requires a guardian of his
16 property; or

17 (2) (i) Has been judged by a court to be unable to provide for his
18 daily needs sufficiently to protect his health or safety for reasons listed in § 13–705(b)
19 of this title; and

20 (ii) As a result of this inability requires a guardian of the
21 person.

22 (h) “Guardian” means a guardian of an estate appointed by a court under
23 Subtitle 2 of this title to manage the property of a disabled person or minor or a
24 guardian of a person appointed by a court under Subtitle 7 of this title, according to
25 the context in which it is used.

26 13–105.

27 (a) (1) The orphans’ courts and the circuit courts have concurrent
28 jurisdiction over guardians of the person of a minor and over protective proceedings for
29 minors.

30 (2) Upon petition of an interested person, a matter initiated in the
31 orphans’ court may be transferred to the circuit court.

32 (b) **[The] SUBJECT TO TITLE 13.5 OF THIS ARTICLE, THE** circuit courts
33 have exclusive jurisdiction over protective proceedings for disabled persons.

1 (c) (1) An orphans' court may exercise jurisdiction over guardianship of
2 the person of a minor if the presiding judge of the orphans' court is a member of the
3 bar, regardless of whether the minor who is the subject of the petition for
4 guardianship of the person has property, may inherit property, or is destitute.

5 (2) An orphans' court that exercises jurisdiction or is requested to
6 exercise jurisdiction under this subsection may:

7 (i) Transfer the matter to the circuit court on a finding that the
8 best interests of the child require utilization of the equitable powers of the circuit
9 court; and

10 (ii) Waive the costs, if any, of a transfer under this paragraph.

11 13-201.

12 (a) Upon petition, and after any notice or hearing prescribed by law or the
13 Maryland Rules, the court may appoint a guardian of the property of a minor or a
14 disabled person.

15 (b) A guardian shall be appointed if the court determines that:

16 (1) A minor owns or is entitled to property that requires management
17 or protection; or

18 (2) Funds are needed for his support, care, welfare, and education and
19 protection is necessary or desirable to obtain or provide funds.

20 (c) A guardian shall be appointed if the court determines that:

21 (1) The person is unable to manage his property and affairs effectively
22 because of physical or mental disability, disease, habitual drunkenness, addiction to
23 drugs, imprisonment, compulsory hospitalization, confinement, detention by a foreign
24 power, or disappearance; and

25 (2) The person has or may be entitled to property or benefits which
26 require proper management.

27 13-202.

28 Venue in proceedings under this subtitle shall be as provided by the Maryland
29 Rules.

30 13-203.

1 (a) While a petition for appointment of a guardian or other protective order
2 is pending, the court may preserve and apply the property of the alleged disabled
3 person or minor as may be required. The court need not give notice to other persons.

4 (b) The court may not exercise the power conferred by subsection (a) unless it
5 appears from specific facts shown by affidavit that immediate, substantial, and
6 irreparable injury will result to the applicant or to the minor or disabled person before
7 an adversary hearing can be held. The court may communicate informally with the
8 minor or disabled person prior to taking action. Any order shall be served immediately
9 on the minor or disabled person.

10 (c) (1) Except for the limitations contained in § 13–106 of this title, after
11 appointment of the guardian, the court has all the powers over the property of the
12 minor or disabled person that the person could exercise if not disabled or a minor.

13 (2) The powers that a circuit court has under paragraph (1) of this
14 subsection include the power to authorize or direct the guardian to:

15 (i) Make gifts from the principal and income of the estate; and

16 (ii) Disclaim on behalf of the minor or disabled person, in whole
17 or in part, the right of succession or transfer to that person of any property or interest
18 in any property.

19 (3) The powers that a circuit court has under paragraph (2) of this
20 subsection are in addition to and may not limit the power:

21 (i) Conferred upon the guardian to make distributions under §
22 13–214 of this subtitle; and

23 (ii) Conferred upon the guardian or the circuit court, without
24 appointing a guardian, to disclaim or authorize or direct a disclaimer on behalf of a
25 minor or disabled person under § 9–201(c) of this article.

26 (d) A guardian or any other interested person may invoke the jurisdiction of
27 the court at any time to resolve questions concerning the estate or its administration.

28 13–204.

29 (a) If a basis exists as described in § 13–201 of this subtitle for assuming
30 jurisdiction over the property of a minor or disabled person, the circuit court, without
31 appointing a guardian, may authorize or direct a transaction with respect to the
32 property, service, or care arrangement of the minor or disabled person. These
33 transactions include but are not limited to:

34 (1) Payment, delivery, deposit, or retention of funds or property;

35 (2) Sale, mortgage, lease, or other transfer of property;

1 (3) Purchase of contracts for an annuity, life care, training, or
2 education; or

3 (4) Any other transaction described in:

4 (i) § 13–203(c)(2) of this subtitle;

5 (ii) Title 9, Subtitle 2 of this article; or

6 (iii) § 15–102 of this article.

7 (b) Before approving a transaction or arrangement under this section, the
8 court shall consider the interests of creditors and dependents of the minor or disabled
9 person and whether the property of the minor or disabled person needs the continuing
10 protection provided by a guardian.

11 13–205.

12 An adjudication under this subtitle shall have no bearing on the issue of
13 capacity of the alleged disabled person to care for his own person.

14 13–206.

15 (a) Subject to the provisions of § 13–207 of this subtitle, the court may
16 appoint as guardian of the estate of a minor or disabled person:

17 (1) Any individual;

18 (2) Any trust company; or

19 (3) Any other corporation authorized by law to serve as a trustee.

20 (b) The appointed guardian shall qualify by filing any required bond.

21 (c) (1) The appointment and qualification of a guardian vests in him title
22 to all property of the minor or protected person that is held at the time of appointment
23 or acquired later. The appointment is not a transfer or alienation within the meaning
24 of any federal or State statute or regulation, insurance policy, pension plan, contract,
25 will, or trust instrument that imposes restrictions on or penalties for transfer or
26 alienation by the minor or disabled person of his rights or interest. A guardian shall
27 utilize powers conferred by this subtitle to perform the services, exercise his
28 discretion, and discharge his duties for the best interest of the minor or disabled
29 person or his dependents.

30 (2) If a trust company is appointed guardian, a court may order any
31 money paid to the court for the benefit of the minor or disabled person to be deposited
32 with the trust company.

1 (d) The guardian is the statutory agent of the minor or disabled person for
2 the purpose of filing all government reports and returns.

3 13–207.

4 (a) Persons are entitled to appointment as guardian for a minor or disabled
5 person according to the following priorities:

6 (1) A conservator, committee, guardian of property, or other like
7 fiduciary appointed by any appropriate court of any foreign jurisdiction in which the
8 minor or disabled person resides;

9 (2) A person or corporation nominated by the minor or disabled person
10 if the designation was signed by the minor or disabled person after his 16th birthday,
11 and, in the opinion of the court, he had sufficient mental capacity to make an
12 intelligent choice at the time he executed the designation;

13 (3) His spouse;

14 (4) His parents;

15 (5) A person or corporation nominated by the will of a deceased
16 parent;

17 (6) His children;

18 (7) The persons who would be his heirs if he were dead;

19 (8) A person or corporation nominated by a person who, or institution,
20 organization, or public agency which, is caring for him;

21 (9) A person or corporation nominated by a governmental agency
22 which is paying benefits to him; **AND**

23 (10) Any other person considered appropriate by the court.

24 (b) A person specified in a priority in subsection (a)(1), (3), (4), (6) or (7) may
25 waive and nominate in writing a person or corporation to serve in his stead. A
26 nominee of a person holding a priority has the same priority as the person making the
27 nomination.

28 (c) Among persons with equal priority, the court shall select the one best
29 qualified of those willing to serve. For good cause the court may pass over a person
30 with priority and appoint a person with less priority or no priority.

1 (d) Nonresidence does not disqualify any person from serving as guardian.
2 Any nonresident who is appointed cannot qualify until he has on file with the register
3 or clerk an irrevocable designation by him of an appropriate person who resides in the
4 State on whom service of process may be made in the same manner and with the effect
5 as if it were served personally in the State on the nonresident.

6 (e) The court may not name an official or employee of a local department of
7 social services, the State Department of Human Resources, a local area agency on
8 aging as defined in § 10-101 of the Human Services Article, or the Department of
9 Aging as guardian of the estate.

10 13-208.

11 (a) Where the instrument nominating a guardian excuses a noncorporate
12 guardian from furnishing bond, the court shall not require a bond unless exceptional
13 circumstances are shown to exist which make it necessary to require a bond for the
14 safety of those interested in the administration of the estate.

15 (b) A corporate guardian shall not be required to furnish bond.

16 (c) In the case of a noncorporate guardian, including a substituted or
17 successor or reinstated guardian nominated by the court or nominated under an
18 instrument which is silent as to bond, the court may, subject to subsection (d) of this
19 section, require a bond if, in its discretion, it finds it necessary for the safety of those
20 interested in the administration of the estate.

21 (d) In a guardian estate consisting entirely of cash, deposited as provided in
22 the rules, securities or real property, or any combination of them which cannot be
23 transferred by the guardian without the approval of the court, not exceeding \$10,000,
24 the court shall not require a guardian to furnish or continue in effect a bond, unless
25 exceptional circumstances are shown to exist.

26 (e) The penalty of the bond shall not be greater than the aggregate value of
27 the property of the estate under the control of the guardian, less the value of securities
28 or money deposited in a financial institution as defined in § 13-301(h) of this title
29 under arrangements requiring an order of the court for their removal, and the value of
30 any land which the guardian, by express limitation of power, lacks power to sell or
31 convey without court authorization. The court may, in lieu of sureties on a bond,
32 accept other security for the performance of the bond, including a pledge of securities
33 or a mortgage of land. The court may at any time, subject to the maximum penalty
34 provided by this section, require the amount of the bond, or the type or value of
35 security, to be changed. The approval of a new bond shall not discharge a bond filed
36 previously from any liability which may have accrued before approval.

37 (f) The terms of any bond shall be as provided by the Maryland Rules.

38 13-209.

1 Inventory and accounting in proceedings under this subtitle shall be as provided
2 by the Maryland Rules.

3 13–210.

4 (a) An interested person may file a petition for an order:

5 (1) Requiring bond, security, additional bond, or security in an estate
6 where bond can be required;

7 (2) Requiring an accounting of the administration of the estate;

8 (3) Directing distribution;

9 (4) Removing the guardian and appointing a successor guardian; or

10 (5) Granting other appropriate relief.

11 (b) A guardian may petition the appointing court for permission to act in any
12 matter relating to the administration of the estate.

13 (c) Upon hearing after notice and upon good cause shown, the court may
14 issue an appropriate order.

15 13–211.

16 (a) There shall be no jury trial in protective proceedings. Procedures for
17 notice to interested persons, the forms of petitions, and the conduct of and
18 requirements at hearings are as provided in the Maryland Rules.

19 (b) Unless the alleged disabled person has counsel of his own choice, the
20 court shall appoint an attorney to represent him in the proceeding.

21 13–212.

22 In the administration of the estate and the exercise of his powers, a guardian
23 shall exercise the care and skill of a man of ordinary prudence dealing with his own
24 property.

25 13–213.

26 All the provisions of § 15–102 of this article with respect to the powers of a
27 fiduciary and the manner of exercise of those powers are applicable to a guardian.

28 13–214.

29 (a) A guardian may distribute or disburse property without court
30 authorization or confirmation in accordance with this section.

1 (b) (1) A guardian of a minor may pay or apply income and principal from
2 the estate as needed for the clothing, support, care, protection, welfare, and education
3 of the minor.

4 (2) A guardian of a disabled person may pay or apply income and
5 principal from the estate as needed for the clothing, support, care, protection, welfare,
6 and rehabilitation of the disabled person. He shall give consideration to the support
7 and care of the disabled person during the probable period of the estate and the needs
8 of persons dependent upon the disabled person.

9 (3) Income and principal also may be paid or applied for the benefit of
10 persons legally dependent upon the minor or disabled person and, with the approval of
11 the court, for the benefit of other persons maintained and supported in whole or in
12 part by the disabled person prior to the appointment of a guardian.

13 (c) (1) When a minor attains his majority, his guardian, after meeting all
14 prior claims and expenses of administration, shall distribute the estate to the former
15 minor as soon as possible, unless the minor is then disabled. The distribution normally
16 shall be in kind.

17 (2) If the guardian is satisfied that the disability of the disabled
18 person has ceased or if the court has found in a proceeding under § 13–221 of this
19 subtitle that the disability has ceased, the guardian, after meeting all prior claims and
20 expenses of administration, shall distribute the estate to the former disabled person as
21 soon as possible. The distribution normally shall be in kind.

22 (3) When a minor or disabled person dies, the guardian shall deliver to
23 the appropriate probate court for safekeeping any will of the deceased person in his
24 possession, inform the personal representative or a beneficiary named in it that he has
25 done so, and retain the estate for delivery to an appointed personal representative of
26 the decedent or other person entitled to it.

27 (4) If a guardianship is terminated for reasons other than the
28 attainment of majority, cessation of disability, or death of the protected person, the
29 guardian shall distribute the estate in accordance with the order of the court
30 terminating the guardianship.

31 13–215.

32 Any limitation on the powers of a guardian contained in a will or other
33 instrument which nominated a guardian should ordinarily be imposed by the court on
34 the guardian. If the court limits any power conferred on the guardian by § 13–214 of
35 this subtitle or § 15–102 of this article, the limitation shall be endorsed upon his
36 letters of appointment.

37 13–216.

1 (a) If the exercise of a power is improper, the guardian is liable for breach of
2 his fiduciary duty to the minor or disabled person or to interested persons for resulting
3 damage or loss to the same extent as a trustee of an express trust.

4 (b) The rights of purchasers and others dealing with a guardian shall be
5 determined as provided in § 13–219 and are not necessarily affected by the fact that
6 the guardian breached his fiduciary duty in the transaction.

7 13–217.

8 (a) Letters of guardianship may be recorded in the land records of the county
9 of residence of the minor or disabled person and of any other county where there is
10 real estate in which the estate has an interest. The recordation has the same effect as
11 notice as recording a conveyance from the minor or disabled person to the guardian.

12 (b) Orders of the court modifying or terminating letters of guardianship or
13 authorizing making a conveyance or doing any other act with respect to interests in
14 real estate constituting part of the estate may be recorded in a similar manner and
15 with similar effect.

16 13–218.

17 Except in unusual circumstances, the guardian is entitled to the same
18 compensation and reimbursement for actual and necessary expenses as the trustee of
19 a trust. No petition or hearing is required to entitle the guardian to compensation and
20 expenses. Upon the petition of any interested person and upon a finding by the court
21 that unusual circumstances exist, the court may increase or decrease compensation.

22 13–219.

23 In the absence of actual knowledge or of reasonable cause to inquire whether
24 the guardian is improperly exercising his power, a person dealing with the guardian
25 need not inquire whether the guardian is exercising it properly, and is protected as if
26 the guardian properly exercised the power, except that every person is charged with
27 actual knowledge of any limitations endorsed on the letters of guardianship. A person
28 need not see to the proper application of estate assets paid or delivered to a guardian.

29 13–220.

30 (a) The appointment of a guardian terminates when the guardianship
31 terminates under § 13–221 and may be terminated sooner by his death, disability,
32 resignation, or removal.

33 (b) Termination of appointment of a guardian has the effects provided in this
34 section.

35 (1) Termination ends the right and power pertaining to the office of
36 guardian. Unless otherwise ordered by the court, a guardian whose appointment has

1 been terminated shall perform acts necessary to protect the estate and deliver the
2 property to the successor guardian.

3 (2) Subject to the provisions of the Maryland Rules, termination does
4 not discharge a guardian from liability for transactions or omissions occurring before
5 termination, or relieve him of the duty to preserve, account for, and deliver to his
6 successor property subject to his control.

7 (3) All lawful acts of a guardian before the termination of his
8 appointment shall remain valid and effective.

9 (c) The death of a guardian or the decree of a court of competent jurisdiction
10 that he is under legal disability shall terminate his appointment. The personal
11 representative of a deceased guardian or the person appointed to protect the estate of
12 a guardian under legal disability shall have the duty to protect property belonging to
13 the estate being administered by the deceased or disabled guardian.

14 (1) He shall have the power to perform acts necessary for the
15 protection of property.

16 (2) He shall immediately account for and deliver the property to a
17 successor guardian.

18 (3) He shall apply immediately to the court for the appointment of a
19 successor guardian to carry on the administration of the estate which was being
20 administered by the deceased or disabled guardian in accordance with the Maryland
21 Rules.

22 (d) A guardian who desires to resign his office may do so in accordance with
23 the provisions of the same Maryland Rules by which a fiduciary may resign his office.

24 13-221.

25 (a) The minor or disabled person, his personal representative, the guardian,
26 or any other interested person may petition the court to terminate the guardianship
27 proceedings.

28 (b) A guardianship proceeding shall terminate upon:

29 (1) The cessation of the minority or disability;

30 (2) The death or presumptive death of the minor or disabled person;

31 (3) Transfer of all the assets of the estate to a foreign fiduciary; or

32 (4) Other good cause for termination as may be shown to the
33 satisfaction of the court.

1 (c) Termination and final distribution of the estate of a former minor or
2 disabled person shall be made in compliance with the provisions of the Maryland
3 Rules, applying to a fiduciary.

4 13-222.

5 (a) [When no guardianship proceeding is pending in the state, a] A
6 guardian, conservator, committee, or other similar fiduciary, appointed by the
7 appropriate court of another jurisdiction to manage the property of a protected person
8 who is a resident of that jurisdiction, may exercise in the state all powers of his office,
9 including the power to sell, purchase, or mortgage real estate in the state, collect,
10 receipt for, and take possession of money due, tangible personal property, or an
11 instrument evidencing a debt, obligation, stock, or chose in action located in the state,
12 and remove it to the other jurisdiction. Subject to any statute or rule relating to
13 nonresidents, he may sue and be sued in the state.

14 (b) Before receiving actual notice of the pendency of a guardianship
15 proceeding in the state, a person who has changed his position by relying on the
16 powers granted by this section may not be prejudiced by the pendency of the
17 proceeding.

18 13-704.

19 The court may superintend and direct the care of a disabled person, appoint a
20 guardian of the person, and pass orders and decrees respecting the person as seems
21 proper, including an order directing the disabled person to be sent to a hospital.
22 Procedures in these cases shall be as prescribed by the Maryland Rules and in
23 accordance with the provisions of this subtitle **AND TITLE 13.5 OF THIS ARTICLE.**

24 13-705.

25 (a) On petition and after any notice or hearing prescribed by law or the
26 Maryland Rules, a court may appoint a guardian of the person of a disabled person.

27 (b) A guardian of the person shall be appointed if the court determines from
28 clear and convincing evidence that a person lacks sufficient understanding or capacity
29 to make or communicate responsible decisions concerning his person, including
30 provisions for health care, food, clothing, or shelter, because of any mental disability,
31 disease, habitual drunkenness, or addiction to drugs, and that no less restrictive form
32 of intervention is available which is consistent with the person's welfare and safety.

33 (c) (1) Procedures and venue in these cases shall be as described by Title
34 10, Chapters 100 and 200 of the Maryland Rules.

35 (2) Notwithstanding the provisions of paragraph (1) of this subsection,
36 a petition for guardianship of a disabled person shall include signed and verified
37 certificates of competency from the following health care professionals:

1 (i) Two licensed physicians who have examined the disabled
2 person; or

3 (ii) 1. One licensed physician who has examined the
4 disabled person; and

5 2. A. One licensed psychologist who has evaluated
6 the disabled person; or

7 B. One licensed certified social worker—clinical who has
8 evaluated the disabled person.

9 (3) An examination or evaluation by at least one of the health care
10 professionals under paragraph (2) of this subsection shall occur within 21 days before
11 filing a petition for guardianship of a disabled person.

12 (d) (1) Subject to paragraph (2) of this subsection, unless the alleged
13 disabled person has counsel of his own choice, the court shall appoint an attorney to
14 represent him in the proceeding. If the person is indigent, the State shall pay a
15 reasonable attorney's fee.

16 (2) In any action in which payment for the services of a
17 court-appointed attorney for the alleged disabled person is the responsibility of the
18 local department of social services, unless the court finds that it would not be in the
19 best interests of the alleged disabled person, the court shall:

20 (i) Appoint an attorney who has contracted with the
21 Department of Human Resources to provide those services, in accordance with the
22 terms of the contract; and

23 (ii) In an action in which an attorney has previously been
24 appointed, strike the appearance of the attorney previously appointed and appoint the
25 attorney who is currently under contract with the Department of Human Resources, in
26 accordance with the terms of the contract.

27 (e) The person alleged to be disabled is entitled to be present at the hearing
28 unless he has knowingly and voluntarily waived the right to be present or cannot be
29 present because of physical or mental incapacity. Waiver or incapacity may not be
30 presumed from nonappearance but shall be determined on the basis of factual
31 information supplied to the court by counsel or a representative appointed by the
32 court. The person alleged to be disabled is also entitled to present evidence and to
33 cross-examine witnesses. The issue may be determined at a closed hearing without a
34 jury if the person alleged to be disabled or his counsel so requests and all hearings
35 herein shall be confidential and sealed unless otherwise ordered by a court of
36 competent jurisdiction for good cause shown.

1 (f) The court shall hear and rule on a petition seeking appointment of a
2 guardian of the person of a disabled person in connection with medical treatment on
3 an expedited basis.

4 13-706.

5 (a) An adjudication of a disability for purposes of appointing a guardian of a
6 person may not be the basis for commitment of the disabled person to a mental
7 institution.

8 (b) Appointment of a guardian of the person:

9 (1) Is not evidence of incompetency of the disabled person; and

10 (2) Does not modify any civil right of the disabled person unless the
11 court orders, including any civil service ranking, appointment, and rights relating to
12 licensure, permit, privilege, or benefit under any law.

13 13-707.

14 (a) Persons are entitled to appointment as guardian of the person according
15 to the following priorities:

16 (1) A person, agency, or corporation nominated by the disabled person
17 if the disabled person was 16 years old or older when the disabled person signed the
18 designation and, in the opinion of the court, the disabled person had sufficient mental
19 capacity to make an intelligent choice at the time the disabled person executed the
20 designation;

21 (2) A health care agent appointed by the disabled person in accordance
22 with Title 5, Subtitle 6 of the Health – General Article;

23 (3) The disabled person's spouse;

24 (4) The disabled person's parents;

25 (5) A person, agency, or corporation nominated by the will of a
26 deceased parent;

27 (6) The disabled person's children;

28 (7) Adult persons who would be the disabled person's heirs if the
29 disabled person were dead;

30 (8) A person, agency, or corporation nominated by a person caring for
31 the disabled person;

1 (9) Any other person, agency, or corporation considered appropriate by
2 the court; and

3 (10) For adults less than 65 years old, the director of the local
4 department of social services or, for adults 65 years old or older, the Secretary of Aging
5 or the director of the area agency on aging, except in those cases where the
6 department of social services has been appointed guardian of the person prior to age
7 65. Upon appointment as guardian, directors of local departments of social services,
8 directors of area agencies on aging, and the Secretary of Aging may delegate
9 responsibilities of guardianship to staff persons whose names and positions have been
10 registered with the court.

11 (b) A person specified in a priority in subsection (a)(2), (3), (5), or (6) may
12 waive and nominate in writing a person, agency or corporation to serve in his stead. A
13 nominee of a person holding priority has the same priority as the person making the
14 nomination.

15 (c) (1) Among persons with equal priority the court shall select the one
16 best qualified of those willing to serve. For good cause, the court may pass over a
17 person with priority and appoint a person with a lower priority.

18 (2) If a guardian of the estate has been appointed, the court may select
19 him to be guardian of the person, regardless of priority.

20 (d) Nonresidence does not disqualify any person from serving as guardian of
21 the person. However, a nonresident who is appointed may not qualify until he has on
22 file with the register or clerk an irrevocable designation by him of an appropriate
23 person who resides in the State on whom service of process may be made in the same
24 manner and with the same effect as if it were served personally in the State on the
25 nonresident.

26 (e) A local department of social services, local office on aging, or the
27 Secretary of Aging, may be appointed as a guardian of a person regardless of whether
28 that person resides in a State or private residential facility.

29 13-708.

30 (a) (1) The court may grant to a guardian of a person only those powers
31 necessary to provide for the demonstrated need of the disabled person.

32 (2) The court may appoint a guardian of the person of a disabled
33 person for the limited purpose of making one or more decisions related to the health
34 care of that person.

35 (b) Subject to subsection (a) of this section, the rights, duties, and powers
36 which the court may order include, but are not limited to:

1 (1) The same rights, powers, and duties that a parent has with respect
2 to an unemancipated minor child, except that the guardian is not liable solely by
3 reason of the guardianship to third persons for any act of the disabled person;

4 (2) The right to custody of the disabled person and to establish his
5 place of abode within and without the State, provided there is court authorization for
6 any change in the classification of abode, except that no one may be committed to a
7 mental facility without an involuntary commitment proceeding as provided by law;

8 (3) The duty to provide for care, comfort, and maintenance, including
9 social, recreational, and friendship requirements, and, if appropriate, for training and
10 education of the disabled person;

11 (4) The duty to take reasonable care of the clothing, furniture,
12 vehicles, and other personal effects of the disabled person, and, if other property
13 requires protection, the power to commence protective proceedings;

14 (5) If a guardian of the estate of the disabled person has not been
15 appointed, the right to commence proceedings to compel performance by any person of
16 his duty to support the disabled person, and to apply the estate to the support, care,
17 and education of the disabled person, except that the guardian of the person may not
18 obtain funds from the estate for room and board that the guardian, his spouse, parent,
19 or child provide without a court order approving the charge, and the duty to exercise
20 care to conserve any excess estate for the needs of the disabled person;

21 (6) If a guardian of the estate has been appointed, the duty to control
22 the custody and care of the disabled person, to receive reasonable sums for room and
23 board provided to the disabled person, and to account to the guardian of the estate for
24 funds expended, and the right to ask the guardian of the estate to expend the estate in
25 payment of third persons for care and maintenance of the disabled person;

26 (7) The duty to file an annual report with the court indicating the
27 present place of residence and health status of the ward, the guardian's plan for
28 preserving and maintaining the future well-being of the ward, and the need for
29 continuance or cessation of the guardianship or for any alteration in the powers of the
30 guardian. The court shall renew the appointment of the guardian if it is satisfied that
31 the grounds for the original appointment stated in § 13-705(b) above continue to exist.
32 If the court believes such grounds may not exist, it shall hold a hearing, similar to that
33 provided for in § 13-705 above, at which the guardian shall be required to prove that
34 such grounds exist. If the court does not make these findings, it shall order the
35 discontinuance of the guardianship of the person. If the guardian declines to
36 participate in the hearing, the court may appoint another guardian to replace him
37 pursuant to the priorities in § 13-707(a); and

38 (8) The power to give necessary consent or approval for:

1 (i) Medical or other professional care, counsel, treatment, or
2 service, including admission to a hospital or nursing home or transfer from one
3 medical facility to another;

4 (ii) Withholding medical or other professional care, counsel,
5 treatment, or service; and

6 (iii) Withdrawing medical or other professional care, counsel,
7 treatment, or service.

8 (c) (1) Notwithstanding the powers conferred to a guardian under
9 subsection (b)(8) of this section, and except as provided in paragraph (2) of this
10 subsection, where a medical procedure involves, or would involve, a substantial risk to
11 the life of a disabled person, the court must authorize a guardian's consent or approval
12 for:

13 (i) The medical procedure;

14 (ii) Withholding the medical procedure; or

15 (iii) Withdrawing the medical procedure that involves, or would
16 involve, a substantial risk to the life of the disabled person.

17 (2) The court may, upon such conditions as the court considers
18 appropriate, authorize a guardian to make a decision regarding medical procedures
19 that involve a substantial risk to life without further court authorization, if:

20 (i) The disabled person has executed an advance directive in
21 accordance with Title 5, Subtitle 6 of the Health – General Article that authorizes the
22 guardian to consent to the provision, withholding or withdrawal of a medical
23 procedure that involves a substantial risk to life but does not appoint a health care
24 agent; or

25 (ii) The guardian is:

26 1. Within a class of individuals specified in § 5–605(a)(2)
27 of the Health – General Article as authorized to make health care decisions for the
28 disabled person; and

29 2. Determined by the court to be familiar with the
30 personal beliefs, values, and medical situation of the disabled person.

31 (3) A petition seeking the authorization of a court that a
32 life-sustaining procedure be withheld or withdrawn is subject to the provisions of §§
33 13–711 through 13–713 of this subtitle.

1 (d) (1) Notwithstanding subsection (a) of this section, and in addition to
2 the rights, duties, and powers which the court may order under subsection (b) of this
3 section, the court may order the relief provided under this subsection.

4 (2) (i) If a guardian of the estate has been appointed, a guardian of
5 the person may ask the guardian of the estate to expend the estate in payment of care
6 and maintenance services provided directly to the disabled person by the guardian of
7 the person at the rate of reimbursement established under this subsection.

8 (ii) The guardian of the person shall maintain appropriate
9 records to document the care and maintenance services provided directly to the
10 disabled person to receive any payment under this subsection.

11 (3) To implement the provisions of this subsection, the court may:

12 (i) Adopt guidelines for the rate of reimbursement for care and
13 maintenance services provided directly by the guardian of the person to a disabled
14 person;

15 (ii) Establish appropriate procedures for records, inspections,
16 audits, or other requirements to monitor care and maintenance services provided
17 directly by the guardian of the person for which the guardian of the person is
18 reimbursed; and

19 (iii) Order any act necessary for the best interests of the disabled
20 person.

21 13-709.

22 (a) When, from personal observation of a law enforcement officer, it appears
23 probable that an adult will suffer immediate and serious physical injury or death if not
24 immediately placed in a health care facility, that the adult is incapable of giving
25 consent, and that it is not possible to follow the procedures of this section, the officer
26 shall transport the person to an appropriate medical facility which shall immediately
27 notify the next of kin and the director. This medical care may not be rendered in a
28 State mental hospital other than, in an appropriate case, the Walter P. Carter
29 Community Mental Health and Retardation Center and the Highland Health Facility
30 unless authorized by the courts in a civil commitment proceeding. The director shall
31 file a petition pursuant to subsection (b) of this section within 24 hours after the
32 transfer of the person has taken place. The court shall hold a hearing on the petition
33 and render its decision within 48 hours after the transfer has occurred.

34 (b) Upon petition by an interested person, a court may issue an order
35 authorizing the provision of protective services on an emergency basis to an adult after
36 finding on the record, based on clear and convincing evidence, that:

37 (1) For the purpose of this section the person lacks capacity under the
38 standards enumerated in § 13-705(b) of this subtitle;

1 (2) An emergency exists, as defined in § 13–101 of this title; and

2 (3) No person authorized by law or court order to give consent for the
3 person is available to consent to emergency services.

4 (c) In issuing an emergency order, the court shall adhere to the following
5 limitations:

6 (1) Only such protective services as are necessary to remove the
7 conditions creating the emergency shall be ordered; the court shall specifically
8 designate the approved services in its order;

9 (2) Protective services authorized by an emergency order shall not
10 include hospitalization or a change of residence unless the court specifically finds such
11 action is necessary and gives specific approval for such action in its order;

12 (3) Protective services may be provided under an initial emergency
13 order for not more than 144 hours, and the initial order may be renewed as provided in
14 paragraph (5) of this subsection;

15 (4) In its order the court shall appoint the petitioner, another
16 interested person, the director, or the Secretary of Aging as temporary guardian of the
17 person with responsibility for the person's welfare and authority to give consent for
18 the person for the approved protective services until the expiration of the order;

19 (5) Notwithstanding the provisions of paragraphs (3) and (4) of this
20 subsection, the court may extend the terms of the emergency order and the
21 appointment of the temporary guardian until appointment of a guardian of the person
22 pursuant to § 13–705 of this subtitle, upon petition of the temporary guardian, the
23 director, or the Secretary of Aging, as appropriate, and after a showing that the
24 conditions found to exist in subsection (b) of this section will probably continue beyond
25 the expiration of the extended emergency order. Such petition shall be filed before the
26 expiration of the six-day period provided for in paragraph (3) of this subsection and
27 shall be accompanied by a petition for appointment of a guardian of the person
28 pursuant to § 13–705 of this subtitle. Such petition for appointment of a guardian of
29 the person shall be heard on an expedited basis no more than 60 days after the filing
30 of the petition;

31 (6) The issuance of an emergency order and the appointment of a
32 temporary guardian shall not deprive the person of any rights except to the extent
33 provided for in the order or appointment; and

34 (7) To implement an emergency order, the court may authorize
35 forcible entry of the premises of the person for the purpose of rendering protective
36 services or transporting the person to another location for the provision of such
37 services only after a showing to the court that attempts to gain voluntary access to the
38 premises have failed and forcible entry is necessary. Persons making authorized

1 forcible entry shall be accompanied by a law enforcement officer, the director or his
2 representative, and if appropriate, a representative of the local department of health.

3 (d) The petition for an emergency order shall set forth the name, address,
4 and interest of the petitioner; the name, age, and address of the person in need of
5 protective services; the nature of the person's disability, if determinable; the proposed
6 protective services; the petitioner's reasonable belief, together with facts supportive
7 thereof, as to the existence of the facts stated in subsection (b)(1) through (3) of this
8 section; and facts showing petitioner's attempts to obtain the person's consent to the
9 services and the outcomes of such attempts.

10 (e) Notice of the filing of such petition shall be given as required in the
11 Maryland Rules and to the director. Such notice shall be given in language reasonably
12 understandable by the intended recipients at least 24 hours prior to the hearing for
13 emergency intervention. The court may waive the 24-hour notice requirement upon a
14 showing that (1) immediate and reasonably foreseeable physical harm to the person or
15 others will result from the 24-hour delay, and (2) reasonable attempts have been
16 made to give such notice. Notice of the court's final order shall be given to the same
17 parties.

18 (f) (1) The hearing on a petition for an emergency order for protective
19 services shall be held under the following conditions:

20 (i) The person shall be present unless he has knowingly and
21 voluntarily waived the right to be present or cannot be present because of physical or
22 mental incapacity. Waiver or incapacity may not be presumed from nonappearance
23 but shall be determined on the basis of factual information supplied to the court by
24 counsel or a representative appointed by the court.

25 (ii) The person has the right to counsel whether or not he is
26 present at the hearing. Subject to paragraph (2) of this subsection, if the person is
27 indigent or lacks the capacity to waive counsel, the court shall appoint counsel. Where
28 the person is indigent, the State shall pay reasonable attorney's fees.

29 (iii) The person may present evidence and cross-examine
30 witnesses. This hearing shall be held no earlier than 24 hours after the notice required
31 in subsection (e) of this section has been given, unless such notice has been waived by
32 the court.

33 (2) In any action in which payment for the services of a
34 court-appointed attorney for the person is the responsibility of the local department of
35 social services, unless the court finds that it would not be in the best interests of the
36 person, the court shall:

37 (i) Appoint an attorney who has contracted with the
38 Department of Human Resources to provide those services, in accordance with the
39 terms of the contract; and

1 (ii) In an action in which an attorney has previously been
2 appointed, strike the appearance of the attorney previously appointed and appoint the
3 attorney who is currently under contract with the Department of Human Resources, in
4 accordance with the terms of the contract.

5 (g) The court shall issue for the record a statement of its findings in support
6 of any order for emergency protective services.

7 (h) The person, the temporary guardian, or any interested person may
8 petition the court to have the emergency order set aside or modified at any time,
9 notwithstanding any prior findings by the court that the person is disabled.

10 (i) Where protective services are rendered on the basis of an emergency
11 order, the temporary guardian shall submit a report describing the circumstances
12 including the name, place, date, and nature of the services, and the use of forcible
13 entry, if any, to the court and the director. This report shall become part of the court
14 record.

15 (j) The person or the guardian of the person may appeal any findings of a
16 court under subsection (b) of this section. Such appeal shall be handled on an
17 expedited basis by the appellate court.

18 13-710.

19 (a) Any person filing a petition, participating in the making of a good-faith
20 report, or participating in an investigation or in a judicial proceeding resulting
21 therefrom, pursuant to § 13-705 or § 13-709 of this article or Title 14, Subtitle 3 of the
22 Family Law Article, shall have the immunity from civil liability or criminal penalty
23 described under § 5-618(a) of the Courts and Judicial Proceedings Article.

24 (b) A law enforcement officer who transports an adult to an appropriate
25 medical facility under § 13-709 of this article shall have the immunity from civil or
26 criminal liability described under § 5-618(b) of the Courts and Judicial Proceedings
27 Article.

28 13-711.

29 (a) In this Part III of this subtitle the following words have the meanings
30 indicated.

31 (b) “Best interest” means that the benefits to the disabled person resulting
32 from a treatment outweigh the burdens to the disabled person resulting from that

35 cognitive functions of the disabled person;

1 (2) The degree of physical pain or discomfort caused to the disabled
2 person by the treatment, or the withholding or withdrawal of the treatment;

3 (3) The degree to which the disabled person's medical condition, the

8 person;

9 (5) The prognosis of the disabled person for recovery, with and without
10 the treatment;

12 withholding or withdrawal of the treatment; and

13 (7) The religious beliefs and basic values of the disabled person
14 receiving treatment, to the extent these may assist the decision maker in determining
15 best interest.

16 (c) "Life-sustaining procedure" means any medical procedure, treatment, or
17 intervention used to sustain, restore, supplement, or supplant a spontaneous vital
18 function in order to prevent or postpone the death of a disabled person.

19 (d) "Substituted judgment" means a determination by a court that a disabled
20 person would, if competent, make the same health care decision regarding a
21 life-sustaining procedure taking into account any information that may be relevant to
22 the decision, including:

23 (1) The current diagnosis, prognosis with and without the
24 life-sustaining procedure, and life expectancy of the disabled person;

25 (2) Any expressed preferences of the disabled person regarding the
26 provision of, or the withholding or withdrawal of, the life-sustaining procedure at
27 issue;

29 provision of, or the withholding or withdrawal of, life-sustaining procedures generally;

30 (4) Any religious or moral beliefs or personal values of the disabled
31 person in relation to the provision of, or the withholding or withdrawal of,
32 life-sustaining procedures;

33 (5) Any behavioral or other manifestations of the attitude of the
34 disabled person toward the provision of, or the withholding or withdrawal of, the
35 life-sustaining procedure;
