28 (a) (1) This section applies to a development project to expand a marina 29 that historically operated as a working marina for the sole purpose of supporting 30 aquaculture or seafood operations.

1 (2) This section does not apply to a development project to expand a 2 marina if the existing or expanded marina is used to allow a person to moor, dock, or 3 store recreational or pleasure vessels.

4 (b) (1) Except as provided in subsection (c) of this section, the Board may 5 issue a license under this title for a development project to expand a marina that is 6 located in an area where the water depth is less than 4 1/2 feet at mean low water and 7 on a waterway without strong flushing if the development project:

8

(i) Enhances aquaculture activities or seafood operations;

9 (ii) Is located in a marina or seafood operation at a marina 10 operated by a nonprofit organization to promote aquaculture activities or oyster 11 restoration in the State;

12 (iii) Does not adversely impact submerged aquatic vegetation; 13 and

14 (iv) Will further the policies of the State related to aquaculture.

15 (2) The license authorized under paragraph (1) of this subsection may 16 authorize dredging to improve navigational access to the marina or marina facility 17 operations.

18 (c) The Board may not issue a license under this title unless the applicant 19 for the license has obtained the following authorizations if required by local, State, or 20 federal law:

21 (1) Local planning or zoning authorization;

(2)

22

An aquaculture lease;

23 (3) A water column lease [issued by the Board] or a submerged land
24 lease issued by the Department of Natural Resources; and

(4) A permit issued by the U.S. Army Corps of Engineers under § 404
of the federal Clean Water Act or under § 10 of the federal Rivers and Harbors Act.

27 16–202.

28 (a) A person may not dredge or fill on State wetlands without a license.

29 (b) To apply for a license, the applicant shall submit a delineation of the 30 affected tidal wetlands and all other information required by the Department.
