- 2 (7) analyzing data collected under paragraph (6) of this subsection;
- 3 (8) developing security criteria that local school systems may consider  
4 in the design of new school construction;
- 5 (9) (i) developing a model safety and security audit procedure for  
6 use by local school systems that provides each school system with guidelines and a  
7 training video showing proper audit procedure;
- 8 (ii) reviewing each local school system safety and security audit  
9 and making recommendations for improvements based on the audit; and
- 10 (iii) incorporating the findings of local school system audits in a  
11 statewide report on school safety;
- 12 (10) on the request of a local school system, providing  
13 on-site technical assistance to the system for school safety and security audits; and
- 14 (11) developing and maintaining a Web site that includes:
- 15 (i) quarterly news updates related to school safety and violence  
16 prevention;
- 17 (ii) school crime data; and
- 18 (iii) schedules of school safety training.
- 19 (g) On or before July 1, 2012, the Task Force shall report its findings and
