## 11. Description and Purpose of Project (Limit Length to Visible area)

The Grant will be used for athletic field lights at Fort Washington Forest Neighborhood Park (Fort Washington), Hollaway Estates Neighborhood Park (Upper Marlboro), and Tanglewood Community Park (Clinton). The project will include design and construction of new athletic field lights. Fort Washington Forest Neighborhood Park is a 19-acre site with a play area, picnic areas, tennis courts, softball and soccer fields, and a recreation building. Hollaway Estates Neighborhood Park is a 16.5-acre site consisting of a play area, picnic areas, basketball and tennis courts, and softball and football/soccer fields. Tanglewood Community Park is a 33-acre site with a picnic shelter, play areas, basketball and tennis courts, softball and football/soccer fields, and a trail with exercise stations.

There has been a marked increase in the uses of athletic fields in these locations. Installation of lights will provide additional practice and game time, which is much needed by the community.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

value is shown under Estimated Capital Costs.						
12. Estimated Capital Costs						
Acquisition						
Design	\$60,000					
Construction	\$540,000					
Equipment						
Total	\$600,000
