10. Description and Purpose of Grantee Organization (Limit Length to Visible area)							
The Downtown Development Commission (DDC) is an appointed agency of the City of Cumberland charged with maintenance and operation of Cumberland's special taxing district.							

11. Description and Purpose of Project (Limit Length to Visible area)

The proposed project is designed to create a marketplace in the Central Business District for the sale of goods and services to the community. There will be up to twenty-five (25) retail, service and food establishments (caterer's kitchen) will be housed in the marketplace. The increased street level vitality downtown, a Maryland Main Street community, will also serve to incubate business development for other commercial locations in the community by sharing resources to allow small business to grow and expand, to leverage the successful marketing efforts of the Downtown Development Commission to support small businesses, and to work with existing stakeholders like the Culinary Cafe and local farmers to increase their hours and offerings year round.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.

28. Comments: (Limit Length to Visible area)

The proposed project will provide a marketplace consisting of up to twenty-five (25) small retail, service and food outlets in a 12,000 square foot space. Lease options to vendors will range from monthly to yearly for subdivided spaces. The proposed funds will provide capital to renovate, improve and establish both public restroom facilities and trade spaces for the marketplace. Approximately thirty (30) employees will be employed by the represented vendors. The initial operating budget will be \$96,000 annually.
