1           **[(d)] (E)**     (1)     The Board of Public Works may adopt regulations for the  
2 administration of the programs provided for in this section.

3                     (2)     The regulations adopted by the Board of Public Works may contain  
4 requirements for:

5                             (i)     The development and submission of long range plans;

6                             (ii)    The submission of annual plans and plans for specific  
7 projects;

8                             (iii)   The submission of other data or information that is relevant  
9 to school construction or capital improvement;

10                            (iv)   The approval of sites, plans, and specifications for the  
11 construction of new school buildings or the improvement of existing buildings;

12                            (v)     Site improvements;

13                            (vi)   Competitive bidding;

14                            (vii)  The hiring of personnel in connection with school  
15 construction or capital improvements;

16                            (viii) The actual construction of school buildings or their  
17 improvements;

18                            (ix)   The relative roles of different State and local governmental  
19 agencies in the planning and construction of school buildings or school capital  
20 improvements;

21                            (x)     School construction and capital improvements necessary or  
22 appropriate for the proper implementation of this section;

23                            (xi)    At the recommendation of the Interagency Committee, the  
24 establishment of priority public school construction programs;

25                            (xii)  Development of cooperative arrangements that permit the  
26 sharing of facilities among two or more school systems;

27                            (xiii) The selection of architects and engineers by school systems;

28                            (xiv)  The award of contracts by school systems; and

29                            (xv)  Method of payments made by the State under the Public  
30 School Construction Program.

1           (3) The regulations adopted by the Board of Public Works shall  
2 contain provisions:

3                   (i) Establishing a State and local cost–share formula for each  
4 county that identifies the factors used in establishing the formulas;

5                   (ii) Requiring local education agencies to adopt educational  
6 facilities master plans and annual capital improvement programs;

7                   (iii) Providing a method for establishing a maximum State  
8 construction allocation for each project approved for State funding;

9                   (iv) Referencing the policies stated in § 5–7B–07 of the State  
10 Finance and Procurement Article;

11                   (v) Requiring local school systems to adopt procedures  
12 consistent with the minority business enterprise policies of the State as required  
13 under the Code of Maryland Regulations;

14                   (vi) Establishing a process for the appeal of decisions by the  
15 Interagency Committee to the Board of Public Works;

16                   (vii) Requiring local education agencies to adopt, implement, and  
17 periodically update comprehensive maintenance plans; and

18                   (viii) Authorizing the Board of Public Works to withhold State  
19 public school construction funds from a local education agency that fails to comply  
20 with the requirements of item (vii) of this paragraph.

21           (4) In adopting any of these requirements, the State Board and the  
22 Board of Public Works shall provide for the maximum exercise of initiative by school  
23 personnel in each county to insure that the school buildings and improvements meet  
24 both the needs of the local communities and the rules and regulations necessary to  
25 insure the proper operation of this section and the prudent expenditure of State funds.

26           **[(e)] (F)** The Board of Public Works shall develop the rules, regulations,  
27 and procedures authorized by this section in consultation with representatives of the  
28 county boards and the county governing bodies.

29           **[(f)] (G)** The regulations and procedures of the Board of Public Works  
30 adopted under this section and their promulgation are exempt from § 8–127(b) of the  
31 State Finance and Procurement Article.

32           **[(g)] (H)** (1) With respect to public school construction or public school  
33 capital improvements, including sites for school buildings, the authority,  
34 responsibilities, powers, and duties of the following are subject to the regulations  
35 adopted by the Board of Public Works under this section:

- 1 (i) The State Board;
- 2 (ii) The State Superintendent;
- 3 (iii) The county governments;
- 4 (iv) The county boards; and
- 5 (v) All other State or local governmental agencies under this  
6 article.

7 (2) If, as to public school construction or public school capital  
8 improvements, there is any conflict between the regulations and procedures of the  
9 Board of Public Works and the authority, responsibilities, powers, and duties of the  
10 individuals and agencies specified in paragraph (1) of this subsection, the regulations  
11 and procedures of the Board of Public Works shall prevail.

12 **[(h)] (I)** The obligation of the State to pay the costs of public school  
13 construction and public school capital improvements extends only to those projects or  
14 parts of projects that comply with the regulations and procedures of the Board of  
15 Public Works.

16 **[(i)] (J)** (1) This subsection does not apply to the proceeds from the sale,  
17 lease, or disposition of public school buildings constructed under contracts executed  
18 before February 1, 1971.

19 (2) Consistent with § 4-115 of this article and regulations adopted by  
20 the Board of Public Works to implement § 4-126 of this article, the Board of Public  
21 Works may require by regulation that the portion of the proceeds received by a county  
22 from the sale, lease, or disposal of any public school building that represent State  
23 funds provided within 15 years prior to the date of the transaction shall be used solely  
24 as part of the State funding of the construction of future public school buildings in the  
25 county in which the sale, lease, or disposal occurred, if the public school building was  
26 constructed under a contract executed on or after February 1, 1971.

27 (3) The part of the proceeds from the sale, lease, or disposal of a public  
28 school building that fairly represents the appraised value of land and that part of the  
29 cost of the public school building that was funded by the county shall remain as the  
30 funds of the county.

31 **(4) IN THIS SECTION, A TRANSFER OF INTEREST IN A PUBLIC**  
32 **SCHOOL BUILDING IN CONNECTION WITH A FINANCING AS AUTHORIZED UNDER**  
33 **§ 4-126 OF THIS ARTICLE IS NOT A SALE, LEASE, OR DISPOSAL OF THE PUBLIC**  
34 **SCHOOL FACILITY.**

1           **[(j)] (k)**       (1)     Whether by budget bill or supplementary appropriation bill,  
2 all money appropriated to carry out the purposes of this section is a separate fund that  
3 shall be administered by the State Comptroller in accordance with the regulations  
4 adopted by the Board of Public Works.

5                       (2)     (i)     Except as provided in subparagraph (ii) of this paragraph,  
6 any funds approved for a project that has not been contracted for within 2 years of the  
7 approval of the project shall revert to the fund established under paragraph (1) of this  
8 subsection.

9                               (ii)    The Interagency Committee, with the approval of the Board  
10 of Public Works, may extend the time period under subparagraph (i) of this paragraph  
11 if the Interagency Committee determines that unusual circumstances exist.

12                       (3)     Any unexpended allocations of funds for previously approved  
13 projects shall be transferred to the fund established under paragraph (1) of this  
14 subsection.

15                       (4)     On or before March 30, June 30, September 30, and December 31  
16 of each year, the Interagency Committee shall report to the General Assembly, in  
17 accordance with § 2-1246 of the State Government Article, and the Department of  
18 Legislative Services on the balance in the fund as of the reporting date as the result of  
19 transfers or reversions required under this subsection and any expenditures.

20           SECTION 2. AND BE IT FURTHER ENACTED, That any authority granted  
21 under this Act is not in derogation of any other existing power or authority.

22           SECTION 3. AND BE IT FURTHER ENACTED, That this Act shall take effect  
23 June 1, 2012.
