10 Preamble

11 WHEREAS, Traditional methods for infrastructure finance, development,
12 construction, operation, and maintenance are not sufficient to meet the current and
13 future infrastructure needs of the State, and it is therefore necessary to promote
14 innovative measures and nontraditional vehicles of infrastructure delivery; and

15 WHEREAS, The establishment of public-private partnerships by and between
16 the State and the private sector is one mechanism to deliver infrastructure projects,
17 increase private investment in public infrastructure, and create jobs in Maryland; and

18 WHEREAS, The Governor of Maryland intends to establish by executive order a
19 process to improve the management and coordination of future public-private
20 partnership projects to include all of the responsibilities laid out in the final report of
21 the Joint Legislative and Executive Commission on Oversight of Public-Private
22 Partnerships; now, therefore,

23 Article – Transportation

24 [4-406.

25 (a) (1) In this section the following words have the meanings indicated.

26 (2) “Budget committees” means the Senate Budget and Taxation
27 Committee, the House Committee on Ways and Means, and the House Appropriations
28 Committee.

1 (3) “Private entity” means an individual, a corporation, a general or
2 limited partnership, a limited liability company, a joint venture, a business trust, a
3 public benefit corporation, a nonprofit entity, or another business entity.

4 (4) “Public notice of solicitation” includes a request for expressions of
5 interest, a request for proposals, a memorandum of understanding, an interim
6 development agreement, a letter of intent, or a preliminary development plan.

7 (5) (i) “Public-private partnership” means a sale or lease
8 agreement between the Authority and a private entity under which:

9 1. The private entity assumes control of the operation
10 and maintenance of an existing State facility; or

11 2. The private entity constructs, reconstructs, finances,
12 or operates a State facility or a facility for State use and will collect fees, charges,
13 rents, or tolls for the use of the facility.

14 (ii) “Public-private partnership” does not include:

15 1. A short-term operating space lease entered into in the
16 ordinary course of business by the Authority and a private entity; or

17 2. A procurement governed by Division II of the State
18 Finance and Procurement Article.

19 (b) Following the submission of each of the reports required under this
20 section, the budget committees shall have 45 days to review and comment on the
21 reports.

22 (c) (1) Not less than 45 days before issuing a public notice of solicitation
23 for a public-private partnership, the Authority shall submit to the budget committees,
24 in accordance with § 2-1246 of the State Government Article, a report concerning the
25 proposed public-private partnership.

26 (2) By January 1 of each year, the Authority shall submit to the
27 budget committees, in accordance with § 2-1246 of the State Government Article, a
28 report concerning each public-private partnership under consideration at that time by
29 the Authority that has not been reviewed or approved previously by the General
30 Assembly.

31 (3) By January 1 of each year, the Authority shall submit to the
32 budget committees, in accordance with § 2-1246 of the State Government Article, a
33 status report concerning each existing public-private partnership in which the
34 Authority is involved.

1 (d) By January 1 of each year, the Authority shall submit to the budget
2 committees, in accordance with § 2–1246 of the State Government Article, a report
3 concerning each public–private partnership for which the Authority is providing
4 conduit financing.

5 (e) Not less than 30 days before entering into a public–private partnership
6 agreement, the Authority shall submit to the budget committees, in accordance with §
7 2–1246 of the State Government Article, an analysis of the impact of the proposed
8 public–private partnership agreement on the Authority’s financing plan, including the
9 Authority’s operating and capital budgets and debt capacity.

10 (f) The Board of Public Works may not approve a public–private partnership
11 agreement under § 10–305 or § 12–204 of the State Finance and Procurement Article
12 that the Authority proposes to enter into until the budget committees have had 30
13 days to review and comment on the Authority’s analysis of the agreement required
14 under subsection (e) of this section.]
