1 SECTION 2. AND BE IT FURTHER ENACTED, That in order to carry out the 2 provisions of these appropriations the Secretary of Budget and Management is 3 authorized:

(a) To allot all or any portion of the funds herein appropriated to the various
departments, boards, commissions, officers, schools and institutions by monthly,
quarterly or seasonal periods and by objects of expense and may place any funds
appropriated but not allotted in contingency reserve available for subsequent
allotment. Upon the Secretary's own initiative or upon the request of the head of any
State agency, the Secretary may authorize a change in the amount of funds so allotted.

10 The Secretary shall, before the beginning of the fiscal year, file with the 11 Comptroller of the Treasury a schedule of allotments, if any. The Comptroller shall not 12 authorize any expenditure or obligation in excess of the allotment made and any 13 expenditure so made shall be illegal.

14 (b) To allot all or any portion of funds coming into the hands of any 15 department, board, commission, officer, school and institution of the State, from 16 sources not estimated or calculated upon in the budget.

17To fix the number and classes of positions, including temporary and (c) 18permanent positions, or person years of authorized employment for each agency, unit, 19or program thereof, not inconsistent with the Public General Laws in regard to 20classification of positions. The Secretary shall make such determination before the 21beginning of the fiscal year and shall base them on the positions or person years of employment authorized in the budget as amended by approved budgetary position 22actions. No payment for salaries or wages nor any request for or certification of 2324personnel shall be made except in accordance with the Secretary's determinations.
