FISCAL AND POLICY NOTE

House Bill 799 (Delegate Tarrant, *et al.*)
Health and Government Operations

General Provisions - Commemorative Months - Children's Dental Health Month

This bill requires the Governor to annually proclaim February as Children's Dental Health Month.

Fiscal Summary

State Effect: Commemorating Children's Dental Health Month does not affect State finances.

Local Effect: None.

Small Business Effect: None.

Analysis

Current Law: Eleven official commemorative days and five months are recognized in State law as shown in **Exhibit 1**. The Governor also must issue a proclamation each year encouraging citizens and other individuals to observe a moment of silence at 3 p.m. on Memorial Day to unite in remembrance and commemorate the heroic acts and efforts of Marylanders who have served and died in the U.S. Armed Forces.

Background: As noted in the preamble, preventable tooth decay is the most common chronic disease in children. According to the National Institute of Dental and Craniofacial Research, more than 40% of children ages 2 to 11 have had a cavity in their baby teeth, and more than two-thirds of 16- to 19-year-olds have had a cavity in their permanent teeth. Dental decay can lead to lost instruction time at school for children and lost work time for adults.

Each February, the American Dental Association (ADA) sponsors National Children's Dental Health Month to raise awareness about the importance of oral health. Other groups also observe Children's Dental Health Month in February.
