## DEPARTMENT OF TRANSPORTATION

Provided that it is the intent of the General Assembly that projects and funding levels appropriated for capital projects, as well as total estimated project costs within the Consolidated Transportation Program, shall be expended in accordance with the plan approved during the legislative session. The department shall prepare a report to notify the budget committees of the proposed changes if the department modifies the program to:

- (1) add a new project to the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that was not previously contained within a plan reviewed in a prior year by the General Assembly and will result in the need to expend funds in the current budget year; or
- (2) change the scope of a project in the construction program or development and evaluation program meeting the definition of a "major project" under Section 2-103.1 of the Transportation Article that will result in an increase of more than 10% or \$1,000,000, whichever is greater, in the total project costs as reviewed by the General Assembly during a prior session.

For each change, the report shall identify the project title, justification for adding the new project or modifying the scope of the existing project, current year funding levels, and the total project cost as approved by the General Assembly during the prior session compared with the

proposed current year funding and total project cost estimate resulting from the project addition or change in scope.

Further provided that notification of project additions, as outlined in item (1) above; changes in the scope of a project, as outlined in item (2) above; or moving projects from the development and evaluation program to the construction program shall be made to the General Assembly 45 days prior to the expenditure of funds or the submission of any contract for approval to the Board of Public Works.

The Maryland Department of Transportation (MDOT) may not expend funds on any job or position of employment approved in this budget in excess of 9,155.5 positions and 40.7 contractual full-time equivalents paid through special payments payroll (defined as the quotient of the sum of the hours worked by all such employees in the fiscal year divided by 2,080 hours) of the total authorized amount established in the budget for MDOT at any one time during fiscal 2015. The level of contractual full-time equivalents may be exceeded only if MDOT notifies the budget committees of the need and justification for additional contractual personnel due to:

- (1) business growth at the Helen Delich Bentley Port of Baltimore or Baltimore/Washington International Thurgood Marshall Airport that demands additional personnel; or
- (2) emergency needs that must be met, such as transit security or highway maintenance.

The Secretary of Transportation shall use the authority under Sections 2-101 and 2-102 of the Transportation Article to implement

this provision. However, any authorized job or position to be filled above the regular position ceiling approved by the Board of Public Works shall count against the Rule of 100 imposed by the General Assembly. The establishment of new jobs or positions of employment not authorized in the fiscal 2015 budget shall be subject to Section 7-236 of the State Finance and Procurement Article and the Rule of 100.

It is the intent of the General Assembly that funds dedicated to the Transportation Trust Fund shall be applied to purposes bearing direct relation to the State transportation program, unless directed otherwise by legislation. To implement this intent for the MDOT in fiscal 2015, no commitment of funds in excess of \$250,000 may be made nor such an amount may be transferred, by budget amendment or otherwise, for any project or purpose not normally arising in connection with the ordinary ongoing operation of MDOT and not contemplated in the approved budget or the last published Consolidated Transportation Program without 45 days of review and comment by the budget committees.

DEBT SERVICE REQUIREMENTS

Consolidated Transportation Bonds may be issued in any amount provided that the aggregate outstanding and unpaid balance of these bonds and bonds of prior issues may not exceed \$2,530,255,000 as of June 30, 2015. Further provided that the amount paid for debt service shall be reduced by any proceeds generated from net bond sale premiums, provided that those revenues are recognized by the department and reflected in the Transportation Trust Fund forecast. Further provided that the appropriation for debt service shall be reduced by any proceeds generated from net bond sale premiums. To achieve this reduction, the

Maryland Department of Transportation (MDOT) may either use the proceeds from the net premium to reduce the size of the bond issuance or apply the proceeds from the net premium to debt service for that bond issuance.

MDOT shall submit with its annual September and January financial forecasts information on:

- (1) anticipated \_\_\_\_\_ and \_\_\_\_\_ actual non-traditional debt outstanding as of June 30 of each year; and
- (2) anticipated and actual debt service payments for each outstanding non-traditional debt issuance from fiscal 2014 through 2024.

Non-traditional debt is defined as any debt instrument that is not a Consolidated Transportation bond or a Grant Anticipation Revenue Vehicle bond; such debt includes, but is not limited to, Certificates of Participation, debt backed by customer facility charges, passenger facility charges, or other revenues, and debt issued by the Maryland Economic Development Corporation or any other third party on behalf of MDOT.

The total aggregate outstanding and unpaid principal balance of non-traditional debt, defined as any debt instrument that is not a Consolidated Transportation Bond or a Grant Anticipation Revenue Vehicle bond issued by MDOT, may not exceed \$726,610,000 as of June 30, 2015. Provided, however, that in addition to the limit established under this provision, MDOT may increase the aggregate outstanding unpaid and principal balance of non-traditional debt so long as:

- (1) MDOT provides notice to the Senate Budget and Taxation

Committee and the House Appropriations Committee stating the specific reason for the additional issuance and providing specific information regarding the proposed issuance, including information specifying the total amount of non-traditional debt that would be outstanding on June 30, 2015, and the total amount by which the fiscal 2015 debt service payment for all non-traditional debt would increase following the additional issuance; and

- (2) the Senate Budget and Taxation Committee and the House Appropriations Committee have 45 days to review and comment on the proposed additional issuance before the publication of a preliminary official statement. The Senate Budget and Taxation Committee and the House Appropriations Committee may hold a public hearing to discuss the proposed increase and shall signal their intent to hold a hearing within 45 days of receiving notice from MDOT.

J00H01.06 Statewide Programs Operations

The General Assembly recognizes the importance of developing regional transit solutions in the central Maryland corridor, including the importance of studying the creation of

a regional transit authority to manage and operate regional transit operations in the corridor. To help ensure that State and federal funds are expended in the most efficient and effective manner, the Secretary of Transportation shall appoint a study group to examine the overall cost structure of a regional transit agency to the State, to participating local jurisdictions, and to the public. The study group shall include representatives of local governments, a representative of the House of Delegates, a representative of the Senate, representatives from the Maryland Transit Administration (MTA), members of the public, and a designee from the existing nonprofit regional transit corporation. This study shall also consider MTA's ongoing update of the State management plan and its conditions for grants to local entities. The study group shall submit a report to the budget committees by August 1, 2014.

No grants or funds for any new regional transit agency shall be disbursed until the study group report has been submitted to the budget committees, which shall have 30 days for review and comment.

This language does not apply to services provided by MTA, the Washington Metropolitan Area Transit Authority, Montgomery County Ride-On, or Prince George's County TheBus.

~~The General Assembly recognizes the importance of developing regional transit solutions in the Central Maryland corridor, including the importance of studying the creation of a regional transit authority to manage and operate regional transit operations in the corridor. To help~~

~~ensure that State and federal funds are expended in the most efficient and effective manner, the Secretary of Transportation shall appoint a Central Maryland Regional Transit Task Force, composed of representatives of the governments of Prince George's County, Montgomery County, Howard County, and Anne Arundel County and Laurel; a member of the Senate; a member of the House of Delegates; representatives from the Maryland Transit Administration (MTA); members of the public; and a designee from the existing non-profit regional transit corporation.~~

~~The Maryland Department of Transportation (MDOT) shall provide staff support for the Task Force. The Task Force shall hold public meetings and prepare a report for the General Assembly on:~~

- ~~(1) transit services currently in place in the Central Maryland region;~~
- ~~(2) any additional transit services that should be developed to improve mobility throughout the central region;~~
- ~~(3) how existing resources could be used to increase transit services;~~
- ~~(4) additional resources that would be required to expand transit services;~~
- ~~(5) how the additional resources could be obtained; and~~
- ~~(6) whether and how a regional transit authority should be created to meet the transportation needs of the Central Maryland corridor.~~

~~The Task Force report shall be submitted to~~

~~the budget committees by December 1, 2014.~~

~~To facilitate stability of transportation services in the central corridor during the study period, no funds may be expended by MDOT or MTA, including any grant, loan, or other disbursement, to fund transportation services that substitute, replace, or duplicate any services provided by a non-profit regional transportation provider in the central corridor on January 1, 2014. This restriction does not apply to services provided by MTA, the Washington Metropolitan Area Transit Authority, Montgomery County Ride On, or Prince George's County TheBus.~~

DEPARTMENT OF PUBLIC SAFETY AND  
CORRECTIONAL SERVICES

Provided that \$600,000 of the General Fund appropriation within the Department of Public Safety and Correctional Services (DPSCS) may not be expended until:

- (1) by November 1, 2014, the following items are reported to the budget committees and members of the Special Joint Commission on Public Safety and Security in State and Local Correctional Facilities:
  - (i) development of a risk assessment tool for pretrial and sentenced offenders in Baltimore City to determine whether the Baltimore City Detention Center (BCDC) is the appropriate place of confinement;
  - (ii) list of projects and associated cost estimates to improve conditions at BCDC until construction of new detention facilities can begin;
  - (iii) the percentage of security cameras functioning within each region as part of the annual departmental Managing for Results submission;
  - (iv) a plan for having an independent third party conduct comprehensive security audits for each facility on a 3-year cycle;
  - (v) an evaluation of the use of full body scanners to detect

contraband at all State-operated correctional and detention facilities; and

- (vi) a plan to employ correctional officers with arrest powers at each of its 22 facilities on a 24-hour basis. The plan should specify to what extent the department can achieve this objective with existing resources. As part of its evaluation, the department should consider (1) utilizing a phased-in approach, beginning with BCDC; (2) assigning a correctional officer with arrest powers to a group of correctional facilities that are located within close proximity of each other; and (3) executing formal agreements with local law enforcement agencies to assist DPSCS with arresting non-incarcerated individuals; and
- (2) the budget committees have 45 days to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Further provided that it is the intent of the General Assembly that the Governor shall provide an additional ~~277~~ 423 correctional officer positions to the department, above fiscal 2015 staffing levels, ~~including 100 additional correctional officer positions in fiscal 2016.~~ Starting in fiscal 2016, 100

positions shall be added each year until a total of 523 positions are successfully included in the department's personnel complement. This intent is in accordance with the phased-in plan established in the fiscal 2014 operating budget and, ~~as recommended by the recommendations of the Special Joint Commission on Public Safety and Security in State and Local Correctional Facilities,~~ to increase the overall total number of correctional officers ~~by 377~~. The total number of additional officers to be provided is reflective of the department's most recent staffing analysis, submitted to the General Assembly in January 2014.

## STATE DEPARTMENT OF EDUCATION

## HEADQUARTERS

## R00A01.01 Office of the State Superintendent

Provided that it is the intent of the General Assembly that no individual loaned educator be engaged by the Maryland State Department of Education (MSDE) for more than 6 years. For loaned educators engaged in fiscal 2010, the time already served at MSDE may not be counted toward the 6-year limit.

Further provided that it is the intent of the General Assembly that all loaned educators submit annual financial disclosure statements, as is required by State employees in similar positions.

Further provided that MSDE shall provide an annual census report on the number of loaned educator contracts and any conversion of these personnel to regular positions to the General Assembly by December 16, 2014, and every year thereafter. The annual report shall include job function, title, salary, fund source(s) for the contract, the first year of the contract and the number of years that the loaned educator has been employed by the State, and whether the educator files a financial disclosure statement. MSDE shall also provide a report to the budget committees prior to entering into any new loaned educator contract to provide temporary assistance to the State. The budget committees shall have 45 days to review and comment from the date of receipt of any report on new contracts.

General Fund Appropriation, provided that \$1,000,000 of this appropriation made for the purpose of general administration may not be expended until the Maryland State Department of Education (MSDE)

provides a report by November 1, 2014, on the implementation of the Partnership for Assessment of Readiness for College and Careers (PARCC) field tests and technology readiness of local education agencies (LEAs) to give PARCC online as well as one-to-one access to digital educational resources, including the option to create "bring your own device" programs. The report shall include the number of students who took the test in each LEA, the number of students who took the test online and on paper, and summary statistics on students' scores on the test. The report shall also include any reports of problems or difficulties encountered by giving the field test this year and what the Maryland State Department of Education has learned from the field tests going forward in the next fiscal year during the full implementation of the test. The report should outline how each LEA will be able to implement the PARCC assessments fully online by the goal of the 2016-2017 school year. The report should include MSDE's criteria for evaluation for readiness and identify any gaps that may remain in terms of technology infrastructure in each LEA. Finally, the report should show a cost breakdown of resources needed by each LEA to meet full online implementation.

Further provided that \$50,000 of this appropriation made for the purpose of incentive payments for the State Superintendent based on the attainment of specified performance goals may be expended only for that purpose. Funds not expended for this restricted purpose may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund.

Further provided that \$50,000 of this appropriation made for the purpose of

<u>incentive payments for the State Superintendent may not be expended until the Maryland State Department of Education submits a report to the budget committees identifying baseline data for each performance goal. The report shall be submitted by August 1, 2014, and the budget committees shall have 45 days to review and comment. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees ...</u>

SECTION 14. AND BE IT FURTHER ENACTED, That if a person is placed by the Departments of Health and Mental Hygiene, Human Resources, or Juvenile Services or the State Department of Education in a facility or program that becomes eligible for Medical Assistance Program (Medicaid) participation, and the Medical Assistance Program makes payment for such services, general funds equal to the general funds paid by the Medical Assistance Program to such a facility or program may be transferred from the previously mentioned departments to the Medical Assistance Program. Further, should the facility or program become eligible subsequent to payment to the facility or program by any of the previously mentioned departments, and the Medical Assistance Program makes subsequent additional payments to the facility or program for the same services, any recoveries of overpayment, whether paid in this or prior fiscal years, shall become available to the Medical Assistance Program for provider reimbursement purposes.

SECTION 15. AND BE IT FURTHER ENACTED, That all funds appropriated to the various State departments and agencies in Comptroller Object 0831 (Office of Administrative Hearings) to conduct administrative hearings by the Office of Administrative Hearings are to be transferred to the Office of Administrative Hearings (D99A11.01) on July 1, 2014, and may not be expended for any other purpose.

SECTION 16. AND BE IT FURTHER ENACTED, That funds budgeted in the State Department of Education and the Departments of Health and Mental Hygiene, Human Resources, and Juvenile Services may be transferred by budget amendment to the Children's Cabinet Interagency Fund (R00A04.01). Funds transferred would represent costs associated with local partnership agreements approved by the Children's Cabinet Interagency Fund.

SECTION 17. AND BE IT FURTHER ENACTED, That funds appropriated to the various State agency programs and subprograms in Comptroller Objects 0152 (Health Insurance), 0154 (Retirees Health Insurance Premiums), 0175 (Workers' Compensation), 0305 (DBM Paid Telecommunications), 0322 (Capital Lease Telecommunications), 0874 (Office of Attorney General Administrative Fee), 0876 (DoIT IT Services Allocation), 0894 (State Personnel System Allocation), and 1303 (rent paid to DGS) are to be utilized for their intended purposes only. AND BE IT FURTHER ENACTED, That all across-the-board reductions applied to the Executive Branch, unless otherwise stated, shall apply to current unrestricted and general funds in the University System of Maryland, St. Mary’s College of Maryland, Morgan State University, and Baltimore City Community College.

SECTION 22. AND BE IT FURTHER ENACTED, That the General Accounting Division of the Comptroller of Maryland shall establish a subsidiary ledger control account to debit all State agency funds budgeted under subobject 0175 (workers’ compensation coverage) and to credit all payments disbursed to the Chesapeake Employers’ Insurance Company (CEIC) via transmittal. The control account shall also record all funds withdrawn from CEIC and returned to the State and subsequently

transferred to the General Fund. CEIC shall submit monthly reports to the Department of Legislative Services concerning the status of the account.

SECTION 23. AND BE IT FURTHER ENACTED, That the Governor's budget books shall include a summary statement of federal revenues by major federal program sources supporting the federal appropriations made therein along with the major assumptions underpinning the federal fund estimates. The Department of Budget and Management (DBM) shall exercise due diligence in reporting this data and ensure that they are updated as appropriate to reflect ongoing congressional action on the federal budget. In addition, DBM shall provide to the Department of Legislative Services (DLS) data for the actual, current, and budget years listing the components of each federal fund appropriation by Catalog of Federal Domestic Assistance number or equivalent detail for programs not in the catalog. Data shall be provided in an electronic format subject to the concurrence of DLS.

SECTION 24. AND BE IT FURTHER ENACTED, That in the expenditure of federal funds appropriated in this budget or subsequent to the enactment of this budget by the budget amendment process:

(1) State agencies shall administer these federal funds in a manner that recognizes that federal funds are taxpayer dollars that require prudent fiscal management, careful application to the purposes for which they are directed, and strict attention to budgetary and accounting procedures established for the administration of all public funds.

(2) For fiscal 2015, except with respect to capital appropriations, to the extent consistent with federal requirements:

(i) when expenditures or encumbrances may be charged to either State or federal fund sources, federal funds shall be charged before State funds are charged except that this policy does not apply to the Department of Human Resources with respect to federal funds to be carried forward into future years for child welfare or welfare reform activities;

(ii) when additional federal funds are sought or otherwise become available in the course of the fiscal year, agencies shall consider, in consultation with the Department of Budget and Management (DBM), whether opportunities exist to use these federal revenues to support existing operations rather than to expand programs or establish new ones; and

(iii) DBM shall take appropriate actions to effectively establish the provisions of this section as policies of the State with respect to the administration of federal funds by executive agencies.

SECTION 25. AND BE IT FURTHER ENACTED, That the Department of Budget and Management (DBM) shall provide an annual report on indirect costs to the General Assembly in January 2015 as an appendix in the Governor's fiscal 2016

budget books. The report shall detail by agency for the actual fiscal 2014 budget the amount of statewide indirect cost recovery received, the amount of statewide indirect cost recovery transferred to the General Fund, and the amount of indirect cost recovery retained for use by each agency. In addition, it shall list the most recently available federally approved statewide and internal agency cost–recovery rates. As part of the normal fiscal/compliance audit performed for each agency once every 3 years, the Office of Legislative Audits shall assess available information on the timeliness, completeness, and deposit history of indirect cost recoveries by State agencies. Further provided that for fiscal 2015, excluding the Maryland Department of Transportation, the amount of revenue received by each agency from any federal source for statewide cost recovery may only be transferred to the General Fund and may not be retained in any clearing account or by any other means, nor may DBM or any other agency or entity approve exemptions to permit any agency to retain any portion of federal statewide cost recoveries.

SECTION 26. AND BE IT FURTHER ENACTED, That the Governor’s budget books shall include a forecast of the impact of the Executive budget proposal on the long–term fiscal condition of the General Fund, Transportation Trust Fund, and higher education Current Unrestricted Fund accounts. This forecast shall estimate aggregate revenues, expenditures, and fund balances in each account for the fiscal year last completed, the current year, the budget year, and 4 years thereafter. Expenditures shall be reported at such agency, program or unit levels, or categories as may be determined appropriate after consultation with the Department of Legislative Services. A statement of major assumptions underlying the forecast shall also be provided, including but not limited to general salary increases, inflation, and growth of caseloads in significant program areas.

SECTION 27. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that all State departments, agencies, bureaus, commissions, boards, and other organizational units included in the State budget, including the Judiciary, shall prepare and submit items for the fiscal 2016 budget detailed by Comptroller subobject classification in accordance with instructions promulgated by the Comptroller of the Treasury. The presentation of budget data in the State budget books shall include object, fund, and personnel data in the manner provided for in fiscal 2015 except as indicated elsewhere in this Act; however, this may not preclude the placement of additional information into the budget books. For actual fiscal 2014 spending, the fiscal 2015 working appropriation, and the fiscal 2016 allowance, the budget detail shall be available from the Department of Budget and Management (DBM) automated data system at the subobject level by subobject codes and classifications for all agencies. To the extent possible, except for public higher education institutions, subobject expenditures shall be designated by fund for actual fiscal 2014 spending, the fiscal 2015 working appropriation, and the fiscal 2016 allowance. The agencies shall exercise due diligence in reporting this data and ensuring correspondence between reported position and expenditure data for the actual, current, and budget fiscal years. This data shall be made available on request and in a format subject to the concurrence of the Department of Legislative Services (DLS). Further, the expenditure of appropriations shall be reported and accounted for

by the subobject classification in accordance with the instructions promulgated by the Comptroller of Maryland.

Further provided that due diligence shall be taken to accurately report full-time equivalent counts of contractual positions in the budget books. For the purpose of this count, contractual positions are defined as those individuals having an employee-employer relationship with the State. This count shall include those individuals in higher education institutions who meet this definition but are paid with additional assistance funds.

Further provided that DBM shall provide to DLS with the allowance for each department, unit, agency, office, and institution, a one-page organizational chart in Microsoft Word or Adobe PDF format that depicts the allocation of personnel across operational and administrative activities of the entity.

SECTION 28. AND BE IT FURTHER ENACTED, On or before August 1, 2014, each State agency and each public institution of higher education shall report to the Department of Budget and Management (DBM) any agreements in place for any part of fiscal 2014 between State agencies and any public institution of higher education involving potential expenditures in excess of \$100,000 over the term of the agreement. Further provided that DBM shall provide direction and guidance to all State agencies and public institutions of higher education as to the procedures and specific elements of data to be reported with respect to these interagency agreements, to include at a minimum:

- (1) a common code for each interagency agreement that specifically identifies each agreement and the fiscal year in which the agreement began;
- (2) the starting date for each agreement;
- (3) the ending date for each agreement;
- (4) a total potential expenditure, or not-to-exceed dollar amount, for the services to be rendered over the term of the agreement by any public institution of higher education to any State agency;
- (5) a description of the nature of the goods and services to be provided;
- (6) the total number of personnel, both full-time and part-time, associated with the agreement;
- (7) contact information for the agency and the public institution of higher education for the person(s) having direct oversight or knowledge of the agreement;
- (8) the amount and rate of any indirect cost recovery or overhead charges assessed by the institution of higher education related to the agreement; and

(9) the justification submitted to DBM for indirect cost recovery rates greater than 20%.

Further provided that DBM shall submit a consolidated report to the budget committees and the Department of Legislative Services by December 1, 2014, that contains information on all agreements between State agencies and any public institution of higher education involving potential expenditures in excess of \$100,000 that were in effect at any time during fiscal 2014.

SECTION 29. AND BE IT FURTHER ENACTED, That any budget amendment to increase the total amount of special, federal, or higher education (current restricted and current unrestricted) fund appropriations, or to make reimbursable fund transfers from the Governor's Office of Crime Control and Prevention or the Maryland Emergency Management Agency, made in Section 1 of this Act shall be subject to the following restrictions:

(1) This section may not apply to budget amendments for the sole purpose of:

(i) appropriating funds available as a result of the award of federal disaster assistance; and

(ii) transferring funds from the State Reserve Fund – Economic Development Opportunities Fund for projects approved by the Legislative Policy Committee.

(2) Budget amendments increasing total appropriations in any fund account by \$100,000 or more may not be approved by the Governor until:

(i) that amendment has been submitted to the Department of Legislative Services (DLS); and

(ii) the budget committees or the Legislative Policy Committee have considered the amendment or 45 days have elapsed from the date of submission of the amendment. Each amendment submitted to DLS shall include a statement of the amount, sources of funds and purposes of the amendment, and a summary of impact on budgeted or contractual position and payroll requirements.

(3) Unless permitted by the budget bill or the accompanying supporting documentation or by any other authorizing legislation, and notwithstanding the provisions of Section 3–216 of the Transportation Article, a budget amendment may not:

(i) restore funds for items or purposes specifically denied by the General Assembly;

(ii) fund a capital project not authorized by the General Assembly provided, however, that subject to provisions of the Transportation Article, projects of

the Maryland Department of Transportation (MDOT) shall be restricted as provided in Section 1 of this Act;

(iii) increase the scope of a capital project by an amount 7.5% or more over the approved estimate or 5.0% or more over the net square footage of the approved project until the amendment has been submitted to DLS and the budget committees have considered and offered comment to the Governor or 45 days have elapsed from the date of submission of the amendment. This provision does not apply to MDOT; and

(iv) provide for the additional appropriation of special, federal, or higher education funds of more than \$100,000 for the reclassification of a position or positions.

(4) A budget may not be amended to increase a Federal Fund appropriation by \$100,000 or more unless documentation evidencing the increase in funds is provided with the amendment and fund availability is certified by the Secretary of Budget and Management.

(5) No expenditure or contractual obligation of funds authorized by a proposed budget amendment may be made prior to approval of that amendment by the Governor.

(6) Notwithstanding the provisions of this section, any federal, special, or higher education fund appropriation may be increased by budget amendment upon a declaration by the Board of Public Works that the amendment is essential to maintaining public safety, health, or welfare, including protecting the environment or the economic welfare of the State.

(7) Budget amendments for new major Information Technology (IT) projects, as defined by Sections 3A-301 and 3A-302 of the State Finance and Procurement Article, must include an Information Technology Project Request, as defined in Section 3A-308 of the State Finance and Procurement Article.

(8) Further provided that the fiscal 2015 appropriation detail as shown in the Governor's budget books submitted to the General Assembly in January 2015 and the supporting electronic detail shall not include appropriations for budget amendments that have not been signed by the Governor, exclusive of the MDOT pay-as-you-go capital program.

(9) Further provided that it is the policy of the State to recognize and appropriate additional special, higher education, and federal revenues in the budget bill as approved by the General Assembly. Further provided that for the fiscal 2016 allowance, the Department of Budget and Management shall continue policies and procedures to minimize reliance on budget amendments for appropriations that could be included in a deficiency appropriation.

SECTION 30. AND BE IT FURTHER ENACTED, That:

(1) The Secretary of Health and Mental Hygiene shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2014 in program M00Q01.03 Medical Care Provider Reimbursements have been disbursed for services provided in that fiscal year and shall prepare and submit the periodic reports required under this section for that program.

(2) The State Superintendent of Schools shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2014 to program R00A02.07 Students With Disabilities for Non-Public Placements have been disbursed for services provided in that fiscal year and to prepare periodic reports as required under this section for that program.

(3) The Secretary of Human Resources shall maintain the accounting systems necessary to determine the extent to which funds appropriated for fiscal 2014 in program N00G00.01 Foster Care Maintenance Payments have been disbursed for services provided in that fiscal year and to prepare the periodic reports required under this section for that program.

(4) For the programs specified, reports shall indicate total appropriations for fiscal 2014 and total disbursements for services provided during that fiscal year up through the last day of the second month preceding the date on which the report is to be submitted and a comparison to data applicable to those periods in the preceding fiscal year.

(5) Reports shall be submitted to the budget committees, the Department of Legislative Services, the Department of Budget and Management, and the Comptroller on November 1, 2014; March 1, 2015; and June 1, 2015.

(6) It is the intent of the General Assembly that general funds appropriated for fiscal 2014 to the programs specified that have not been disbursed within a reasonable period, not to exceed 12 months from the end of the fiscal year, shall revert.

SECTION 31. AND BE IT FURTHER ENACTED, That no funds in this budget may be expended to pay the salary of a secretary or an acting secretary of any department whose nomination as secretary has been rejected by the Senate or an acting secretary who was serving in that capacity prior to the 2014 session whose nomination for the secretary position was not put forward and approved by the Senate during the 2014 session unless the acting secretary is appointed under Article II, Section 11 of the Maryland Constitution prior to July 1, 2014.

SECTION 32. AND BE IT FURTHER ENACTED, That the Board of Public Works (BPW), in exercising its authority to create additional positions pursuant to Section 7-236 of the State Finance and Procurement Article, may authorize during the fiscal year no more than 100 positions in excess of the total number of authorized State positions on July 1, 2014, as determined by the Secretary of Budget and Management.

Provided, however, that if the imposition of this ceiling causes undue hardship in any department, agency, board, or commission, additional positions may be created for that affected unit to the extent that positions authorized by the General Assembly for the fiscal year are abolished in that unit or in other units of State government. It is further provided that the limit of 100 does not apply to any position that may be created in conformance with specific manpower statutes that may be enacted by the State or federal government nor to any positions created to implement block grant actions or to implement a program reflecting fundamental changes in federal/State relationships. Notwithstanding anything contained in this section, BPW may authorize additional positions to meet public emergencies resulting from an act of God and violent acts of man, that are necessary to protect the health and safety of the people of Maryland.

BPW may authorize the creation of additional positions within the Executive Branch provided that 1.25 full-time equivalent contractual positions are abolished for each regular position authorized and that there be no increase in agency funds in the current budget and the next two subsequent budgets as the result of this action. It is the intent of the General Assembly that priority is given to converting individuals that have been in contractual positions for at least 2 years. Any position created by this method may not be counted within the limitation of 100 under this section.

The numerical limitation on the creation of positions by BPW established in this section may not apply to positions entirely supported by funds from federal or other non-State sources so long as both the appointing authority for the position and the Secretary of Budget and Management certify for each position created under this exception that:

- (1) funds are available from non-State sources for each position established under this exception;
- (2) the position's classification is not one for which another position was abolished through the Voluntary Separation Program; and
- (3) any positions created will be abolished in the event that non-State funds are no longer available.

The Secretary of Budget and Management shall certify and report to the General Assembly by June 30, 2015, the status of positions created with non-State funding sources during fiscal 2011, 2012, 2013, 2014, and 2015 under this provision as remaining, authorized, or abolished due to the discontinuation of funds.

SECTION 33. AND BE IT FURTHER ENACTED, That immediately following the close of fiscal 2014, the Secretary of Budget and Management shall determine the total number of full-time equivalent (FTE) positions that are authorized as of the last day of fiscal 2014 and on the first day of fiscal 2015. Authorized positions shall include all positions authorized by the General Assembly in the personnel detail of the budgets for fiscal 2014 and 2015, including non-budgetary programs, the Maryland

Transportation Authority, the University System of Maryland self-supported activities, and the Maryland Correctional Enterprises.

The Department of Budget and Management (DBM) shall also prepare during fiscal 2015 a report for the budget committees upon creation of regular FTE positions through Board of Public Works action and upon transfer or abolition of positions. This report shall also be provided as an appendix in the fiscal 2016 Governor's budget books. It shall note, at the program level:

- (1) where regular FTE positions have been abolished;
- (2) where regular FTE positions have been created;
- (3) from where and to where regular FTE positions have been transferred;  
and
- (4) where any other adjustments have been made.

Provision of contractual FTE position information in the same fashion as reported in the appendices of the fiscal 2016 Governor's budget books shall also be provided.

SECTION 34. AND BE IT FURTHER ENACTED, That the Department of Budget and Management and the Maryland Department of Transportation are required to submit to the Department of Legislative Services (DLS) Office of Policy Analysis:

- (1) a report in Excel format listing the grade, salary, title, and incumbent of each position in the Executive Pay Plan (EPP) as of July 15, 2014; October 15, 2014; January 15, 2015; and April 15, 2015; and
- (2) detail on any lump-sum increases given to employees paid on the EPP subsequent to the previous quarterly report.

Flat-rate employees on the EPP shall be included in these reports. Each position in the report shall be assigned a unique identifier that describes the program to which the position is assigned for budget purposes and corresponds to the manner of identification of positions within the budget data provided annually to the DLS Office of Policy Analysis.

SECTION 35. AND BE IT FURTHER ENACTED, That no position identification number assigned to a position abolished in this budget may be reassigned to a job or function different from that to which it was assigned when the budget was submitted to the General Assembly. Incumbents in positions abolished may continue State employment in another position.

SECTION 36. AND BE IT FURTHER ENACTED, That the Secretary of the Department of Budget and Management shall include as an appendix in the fiscal 2016 Governor's budget books an accounting of the fiscal 2014 actual, fiscal 2015 working appropriation, and fiscal 2016 estimated revenues and expenditures associated with the employees' and retirees' health plan. This accounting shall include:

(1) any health plan receipts received from State agencies, employees, and retirees, as well as prescription rebates or recoveries, or audit recoveries, and other miscellaneous recoveries;

(2) any premium, capitated, or claims expenditures paid on behalf of State employees and retirees for any health, mental health, dental, or prescription plan, as well as any administrative costs not covered by these plans; and

(3) any balance remaining and held in reserve for future provider payments.

SECTION 37. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that the Department of Budget and Management, the Department of Natural Resources, and the Maryland Department of the Environment provide two reports on Chesapeake Bay restoration spending. The reports shall be drafted subject to the concurrence of the Department of Legislative Services (DLS) in terms of both electronic format to be used and data to be included. The scope of the reports is as follows:

(1) Chesapeake Bay restoration operating and capital expenditures by agency, fund type, and particular fund source based on programs that have over 50% of their activities directly related to Chesapeake Bay restoration for the fiscal 2014 actual, fiscal 2015 working appropriation, and fiscal 2016 allowance, which is to be included as an appendix in the fiscal 2016 budget volumes and submitted electronically in disaggregated form to DLS; and

(2) 2-year milestones funding by agency, best management practice, fund type, and particular fund source along with associated nutrient and sediment reductions for fiscal 2013, 2014, 2015, and 2016, which is to be submitted electronically in disaggregated form to DLS.

SECTION 38. AND BE IT FURTHER ENACTED, That the Department of Budget and Management shall provide an annual report on the revenue from the Regional Greenhouse Gas Initiative (RGGI) carbon dioxide emission allowance auctions and set-aside allowances to the General Assembly in conjunction with submission of the fiscal 2016 budget and annually thereafter as an appendix to the Governor's budget books. This report shall include information for the actual fiscal 2014 budget, fiscal 2015 working appropriation, and fiscal 2016 allowance. The report shall detail revenue assumptions used to calculate the available Strategic Energy Investment Fund (SEIF) from RGGI auctions for each fiscal year including:

(1) the number of auctions;

- (2) the number of allowances sold;
- (3) the allowance price for both current and future (if offered) control period allowances sold in each auction;
- (4) prior year fund balance from RGGI auction revenue used to support the appropriation; and
- (5) anticipated revenue from set-aside allowances.

The report shall also include detail on the amount of the SEIF from RGGI auction revenue available to each agency that receives funding through each required allocation, separately identifying any prior year fund balance:

- (1) energy assistance;
- (2) residential rate relief;
- (3) energy efficiency and conservation programs, low- and moderate-income sector;
- (4) energy efficiency and conservation programs, all other sectors;
- (5) renewable and clean energy programs and initiatives, education, and climate change programs;
- (6) administrative expenditures;
- (7) dues owed to the RGGI, Inc.; and
- (8) transfers made to other funds.

SECTION 39. AND BE IT FURTHER ENACTED, That \$1,000,000 of the General Fund appropriation within the Department of State Police (DSP) may not be expended until DSP submits the Crime in Maryland, 2013 Uniform Crime Report (UCR) to the budget committees. The budget committees shall have 45 days to review and comment following receipt of the report. Funds restricted pending the receipt of a report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

Further, provided that, if DSP encounters difficulty obtaining the necessary crime data on a timely basis from local jurisdictions who provide the data for inclusion in the UCR, DSP shall notify the Governor's Office of Crime Control and Prevention (GOCCP). GOCCP shall withhold a portion, totaling at least 15%, but no more than 50%, of that jurisdiction's State Aid for Police Protection (SAPP) grant for fiscal 2015

upon receipt of notification from DSP. GOCCP shall withhold SAPP funds until such a time that the jurisdiction submits its crime data to DSP. DSP and GOCCP shall submit a report to the budget committees indicating any jurisdiction from which crime data was not received on a timely basis and the amount of SAPP funding withheld from each jurisdiction.

SECTION 40. AND BE IT FURTHER ENACTED, That no funding included in this budget for the Medicaid Enterprise Restructuring Project (MERP) may be used for expenditures on deliverables within the System Development Phase of the System Development Life Cycle (SDLC) process as defined under the Department of Information Technology (DoIT) SDLC process until DoIT and the Department of Health and Mental Hygiene (DHMH) submit to the budget committees:

(1) confirmation of the successful completion of all systems requirements documents and completion of draft system design documents;

(2) confirmation of the development of an adequate Integrated Master Schedule; and

(3) revised budget estimates, an updated information technology project request document, and a go-live date.

The budget committees shall have 30 days to review and comment on the submission from DoIT and DHMH.

Further provided that, beginning on July 15, 2014, and continuing until the MERP go-live date, DoIT shall provide the budget committees with quarterly updates on the progress of MERP. The updates shall be in the format used by the department in its fiscal year-end major information technology development project report.

SECTION 41. AND BE IT FURTHER ENACTED, That \$100,000 of the General Fund appropriation for the Department of Human Resources (DHR) and \$100,000 of the General Fund appropriation for the Maryland State Department of Education (MSDE) may not be expended unless, by July 1, 2014, DHR and MSDE jointly submit a report to the budget committees regarding the transfer of child care subsidy eligibility determinations from DHR to MSDE. The report shall include the following information:

(1) how the shift in eligibility determinations improves the program for both individuals receiving the child care subsidy and MSDE;

(2) how MSDE's vendor will implement child care subsidy eligibility determinations;

(3) the impact on services provided to individuals who want to apply for multiple social services including the child care subsidy;

(4) the impact on DHR's eligibility determinations function with respect to quality of performance, positions required, budgetary needs, and how DHR can reduce spending on eligibility determinations by \$13,100,000;

(5) how and when funding will shift from DHR to MSDE and how much DHR will need as a replacement; and

(6) an accounting of costs and savings for MSDE and the vendor contract.

As it has been estimated that the transfer of eligibility determinations will result in budgetary savings of up to \$4,000,000 in general funds, \$2,000,000 of which is accounted for as a withdrawn appropriation from the fiscal 2014 budget, the budget committees have the expectation of an additional \$2,000,000 General Fund withdrawn appropriation during the 2015 legislative session, or a targeted reversion of that amount at the close of fiscal 2015.

A follow-up report shall be submitted by December 1, 2014, with budget costs and savings information based on the experience of DHR's eligibility determinations function and MSDE's vendor, and other substantive changes to the program from what is outlined in the July 1, 2014 report. The budget committees shall have 45 days for review and comment following receipt of the initial report. Funds restricted pending receipt of the report may not be transferred by budget amendment or otherwise to any other purpose and shall revert to the General Fund if the report is not submitted to the budget committees.

SECTION 42. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that the Maryland Department of Planning, the Department of Natural Resources, the Maryland Department of Agriculture, the Maryland Department of the Environment, and the Department of Budget and Management provide a report to the budget committees by December 1, 2014, on Chesapeake Bay restoration spending including:

(1) ~~fiscal 1988~~ to the extent practicable, fiscal 2000 to 2014 annual spending by fund, fund source, program, and State ~~and local~~ government agency; associated nutrient and sediment reduction; and the impact on living resources and ambient water quality criteria for dissolved oxygen, water clarity, and "chlorophyll a" for the Chesapeake Bay and its tidal tributaries;

(2) projected fiscal 2015 to 2025 annual spending by fund, fund source, program, and State ~~and local~~ government agency; associated nutrient and sediment reductions; and the impact on living resources and ambient water quality criteria for dissolved oxygen, water clarity, and "chlorophyll a" for the Chesapeake Bay and its tidal tributaries; and

(3) an overall framework discussing the needed regulations, revenues, laws, and administrative actions and their impacts on individuals, organizations, governments, and businesses by year from fiscal 2015 to 2025 in order to reach the

calendar 2025 requirement of having all best management practices in place to meet water quality standards for restoring the Chesapeake Bay.

SECTION 43. AND BE IT FURTHER ENACTED, That the Governor shall abolish ~~267~~ 150 vacant regular full-time equivalent positions and reduce agency appropriations by at least ~~\$17,000,000~~ ~~\$10,000,000~~ **\$14,000,000** in general funds from the Executive Branch in fiscal 2015. Further provided that abolitions shall occur on or before July 1, 2014, and an accounting of the abolished positions shall be noted in Appendix E of the fiscal 2016 budget submission. A schedule of the abolished positions and funding, by program, shall be submitted to the budget committees by July 1, 2014.

SECTION 44. AND BE IT FURTHER ENACTED, That it is the intent of the General Assembly that, in fiscal 2014 and fiscal 2015, *the Developmental Disabilities Administration within the Department of Health and Mental Hygiene shall:*

(1) determine all cost savings realized due to nonpayment to providers for weather-related closures;

(2) implement a methodology to distribute funds from cost savings realized due to nonpayment to providers for weather-related closures to:

(i) providers that experienced loss of revenue due to weather-related closures; and

(ii) residential service providers that experienced weather-related costs including staff overtime, resident relocation, ~~snow removal~~, or other costs necessary to ensure health and safety; and

(3) distribute, based on the proportion of financial loss reported by each provider and to the extent funds are available in the budget, all funds from cost savings realized due to nonpayment to providers for weather-related closures to providers submitting required information.

To be eligible to receive redistributed funds from cost savings realized due to nonpayment to providers for weather-related closures, a provider shall report to the department:

~~(1) the date of any weather-related closure; and~~

~~(2) either the total amount of operating revenue losses or the total increase in operating costs due to the weather-related closure.~~

(1) the date or dates of each weather-related absence for which a claim is being submitted;

(2) a detailed listing of financial losses and/or increased costs directly attributed to each weather-related absence; and

(3) an explanation of how the claimed amount of financial losses and increased costs were determined.

The department shall prepare guidelines and instructions for providers to submit weather-related claims. In addition, the department must, within 30 days after the end of the fiscal year, report to the committees the amount of funds from cost savings realized due to nonpayment to providers that is distributed to providers in fiscal 2014 and 2015.

SECTION 45. AND BE IT FURTHER ENACTED, That for fiscal 2015, no funds may be transferred from the Revenue Stabilization Account of the State Reserve Fund to the General Fund.

**SECTION 46. AND BE IT FURTHER ENACTED, That:**

**The General Assembly finds that:**

**(1) intellectual and academic freedom are essential to democracy, human rights, human enlightenment, and human progress;**

**(2) academic boycotts against institutions of higher education and their faculty are anathema to free societies and free minds; and**

**(3) official state control of intellectual inquiry and activity is a mark of authoritarian societies and is strongly disfavored in a pluralistic democratic culture.**

**The General Assembly declares that it is the policy of the State to:**

**(1) reaffirm our Declaration of Cooperation with the State of Israel that has resulted in the successful exchange of commerce, culture, technology, tourism, trade, economic development, scholarly inquiry, and academic cooperation for well over two decades;**

**(2) oppose Maryland public institutions' support of the movement known as Boycott, Divestment and Sanctions, designed to delegitimize the democratic State of Israel;**

**(3) condemn the American Studies Association's boycott against institutions of higher education in Israel;**

**(4) affirm intellectual and academic freedom in Maryland and our reputation as a leader in intellectual inquiry and dialogue; and**

**(5) strongly encourage that all colleges, universities, faculty, staff, and students protect and advance the open flow of public discourse, debate, and academic freedom.**

SECTION ~~21~~ ~~45~~ ~~46~~ **47**. AND BE IT FURTHER ENACTED, That numerals of this bill showing subtotals and totals are informative only and are not actual appropriations. The actual appropriations are in the numerals for individual items of appropriation. It is the legislative intent that in subsequent printings of the bill the numerals in subtotals and totals shall be administratively corrected or adjusted for continuing purposes of information, in order to be in arithmetic accord with the numerals in the individual items.

SECTION ~~22~~ ~~46~~ ~~47~~ **48**. AND BE IT FURTHER ENACTED, That pursuant to the provisions of Article III, Section 52(5a) of the Maryland Constitution, the following total of all proposed appropriations and the total of all estimated revenues available to pay the appropriations for the 2015 fiscal year is submitted:
