§7–103.

(a) This title is subject to any treaty or statute of the United States or regulatory statute of this State to the extent the treaty, statute, or regulatory statute is applicable.

(b) This title does not modify or repeal any law prescribing the form or content of a document of title or the services or facilities to be afforded by a bailee, or otherwise regulating a bailee's business in respects not specifically treated in this title. However, violation of such a law does not affect the status of a document of title that otherwise is within the definition of a document of title.

(c) This title modifies, limits, and supersedes the federal Electronic Signatures in Global and National Commerce Act (15 U.S.C. § 7001, et seq.) but does not modify, limit, or supersede § 101(c) of that Act (15 U.S.C. § 7001(c)) or authorize electronic delivery of any of the notices described in § 103(b) of that Act (15 U.S.C. § 7003(b)).

(d) To the extent there is a conflict between Title 21 of this article and this title, this title governs.
