§4–205.

(a) Before trial, a court exercising criminal jurisdiction in a case involving a child may order the child to undergo blood lead level testing.

(b) A copy of the results of a test performed under subsection (a) of this section shall be provided to:

- (1) the child;
- (2) the child's parent or guardian;
- (3) the child's counsel; and
- (4) the State's Attorney.
