§19-714.

Each marketing document that sets forth the health care services of a health maintenance organization shall describe fully and clearly:

- (1) The health care services under each benefit package and every other benefit to which a member is entitled;
- (2) Where and how services may be obtained;
- (3) Each exclusion or limitation on any service or other benefit that it provides;
- (4) Each deductible feature;
- (5) Each copayment provision; and
- (6) All information required by § 15-1206 of the Insurance Article.
