§21–309.2.

(a) A county may establish a seasonal farmer's market producer sampling license to be required for a producer of a farm product to prepare and offer samples of the farm product for human consumption at a farmer's market or at a public festival or event.

(b) A county seasonal farmer's market producer sampling license established under this section shall:

- (1) Be valid at all farmer's markets in the county;
- (2) Be valid at any public festival or event in the county;
- (3) Be valid for the entire season for which it is issued; and
- (4) Have a single fee as set by the county.

(c) A seasonal farmer's market producer sampling licensee shall use the license only to offer samples of a farm product that has been produced by the licensee.

(d) The Department shall adopt regulations that:

- (1) Establish eligibility for the license;
- (2) Provide for the authorized uses of the license;
- (3) Establish standards and approved methods under which sampling shall be conducted;

(4) Specify the duration of the season during which the license is valid; and

(5) Include other provisions that are necessary to protect public health and control foodborne illnesses.

(e) A county issuing a seasonal farmer's market producer sampling license shall adopt an ordinance that:

- (1) Sets the fee for the license;
- (2) Provides for the enforcement of provisions of law under which the license is issued; and
- (3) Provides penalties for violations of provisions of law under which the license is issued.
