§5-624.

(a) The Registry shall consist of a secure, electronic database to which authorized access is available 24 hours per day, 7 days per week.

(b) The Secretary shall specify in regulations the persons who are authorized to access the Registry, including:

(1) The registrant or the registrant's designee; and

(2) Representatives of a health care facility in which a registrant is receiving health care.

(c) The Secretary shall adopt regulations regarding access to the Registry, including procedures to protect confidential information.

(d) The Department may perform evaluations of the Registry.
