§1–1001.

(a) A county or municipality may establish a hospital or other facility for the care of the sick by:

- (1) building or contracting for the use of a facility; or
- (2) joining with another county or municipality to establish a joint facility.

(b) A county or municipality may recover the expenses incurred by a hospital or another facility in caring for a patient who is not indigent:

- (1) from the patient, within 3 years after the patient is discharged from the facility; or
- (2) from the estate of the patient, if the patient dies in the facility.
