§1-1103.

(a) The purpose of a program is to provide loans to:

(1) residential property owners, including low income residential property owners, to finance energy efficiency and renewable energy projects; and

(2) commercial property owners to finance:

(i) energy efficiency projects; and

(ii) renewable energy projects with an electric generating capacity of not more than 100 kilowatts.

(b) A private lender may provide capital for a loan provided to a commercial property owner under the program.
