§3-3A-04.

(a) Not later than January 1, 1987, and biennially thereafter, the departments, with the advice of the participating agencies and interested private parties, shall prepare and submit a report to the Governor, and subject to § 2-1246 of the State Government Article, to the General Assembly.

(b) The report shall include:

- (1) A description of activities undertaken in accordance with this subtitle;
- (2) The costs of the activities undertaken in accordance with this subtitle;
- (3) The findings of the research and monitoring program, including the current levels and anticipated significant adverse effects and future trends of acid deposition in the State;
- (4) Recommended State responses, when appropriate, to federal legislative or regulatory initiatives; and
- (5) Potential options to evaluate acid deposition and its potential adverse effects in the State.
