§12–117.

In or near any building or property used by the Administration for its business, a person may not:

(1) Interfere with any person doing business for or with the Administration; or

(2) For a fee charged directly or indirectly, solicit any person:

(i) To assist that person in obtaining a driver's license, certificate of title, vehicle registration, or other license or document; or

(ii) To file any statement for that person.
