movement, through today. Since opening in a storefront in downtown Baltimore in 1983, The National Great Blacks In Wax Museum has become a prominent, nationally recognized institution. With its move in 1988 to a renovated firehouse on North Avenue, the Museum has attracted over 2 million visitors to a low-income community of East Baltimore. Indeed, it has become one of the premier tourist attractions for the State. The Museum has 65% of its visitors coming form outside the state of Maryland.

11. Description and Purpose of Project (Limit Length to Visible area)

For the past five years, The National Great Blacks In Wax Museum has been advancing a plan that will expand the museum along the entire 1600 blocks of East North Avenue, Eareckson Place and Lafayette, and the 1800 Blocks of Broadway, Bethel, and Bond Streets. The museum will be adding 120,000 square feet of new construction and rehabbing 47,000 square feet. Thus far, the museum acquired 90 units and has demolished 53 of them that had been vacant and blighted.

The Museum is seeking funds for acquisition, architectural/engineering design, new construction, exhibit design, and rehabilitation.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
