§4–127.

- (a) (1) In this section the following words have the meanings indicated.
- (2) “Recyclable materials” means those materials that:
  - (i) Would otherwise become solid waste for disposal in a refuse disposal system; and
  - (ii) May be collected, separated, or processed and returned to the marketplace in the form of raw materials or products.
- (3) “Recycling” means any process in which materials that would otherwise become solid waste are collected, separated, or processed and returned to the marketplace in the form of raw materials or products.
- (b) This section applies only in Prince George’s County.
- (c) The Prince George’s County Board of Education shall develop and implement a recycling program for all facilities under the jurisdiction of the county board.
- (d) In developing the recycling program under subsection (c) of this section, the county board shall address:
  - (1) The recyclable materials to be separated;
  - (2) The strategy for the collection, processing, marketing, and disposition of recyclable materials;
  - (3) The strategy for the collection, processing, and disposition of the polystyrene trays used in public school cafeterias; and
  - (4) Methods for promoting and determining compliance with the recycling program.
