§4–130.

(a) (1) In this section, “student work product” means the work created by an individual while enrolled as a student at a public school in the State.

(2) “Student work product” includes:

- (i) Written reports, essays, tests, and homework;
- (ii) Personal class notes;
- (iii) Art projects; and
- (iv) Computer software.

(b) A county board may not claim ownership rights, property rights, or the copyright to the student work product of a student enrolled in a public school under the jurisdiction of the county board.
