§7-427.

(a) The Department, in collaboration with the Department of Health and Mental Hygiene, shall provide awareness and training for Directors of Student Services in local education agencies on self-mutilation, including injury by cutting.

(b) The Department of Health and Mental Hygiene shall provide to the Department:

(1) Resource information on self-mutilation, including injury by cutting, to be distributed to local school supervisors of health, counseling, and psychology; and

(2) Materials for distribution that describe local, State, and national resources to which students, parents, counselors, and school personnel can refer for information on self-mutilation, including injury by cutting.
