§7-9A-04.

The purposes of the MDK12 Digital Library are to:

- (1) Provide equitable access to digital content for all Maryland K-12 students and educators;
- (2) Improve school library programs with advanced digital technologies;
- (3) Create fiscal efficiencies in the purchase of digital content through enhanced cooperation among schools and the Department; and
- (4) Support effective teaching and learning by connecting digital content with the Maryland content standards, workforce development, and science, technology, engineering, and mathematics initiatives.
