§12-6A-04.

A pharmacist is authorized to enter into a prescriber-pharmacist agreement if the pharmacist:

- (1) Is a licensed pharmacist;
- (2) Has a Doctor of Pharmacy Degree or equivalent training as established in regulations adopted under this subtitle;
- (3) Is approved by the Board to enter into a prescriber-pharmacist agreement with an authorized prescriber in accordance with this subtitle; and
- (4) Meets the requirements that are established by regulations adopted under this subtitle.
