§13–303.

(a) If an applicant for a physical therapy license has been educated in physical therapy in any state, the applicant shall have:

(1) Graduated from a physical therapy program that, in the year of graduation, was approved by:

(i) The American Medical Association;

(ii) The American Physical Therapy Association; or

(iii) The Commission on Accreditation of Physical Therapy Education;

and

(2) Completed satisfactorily the clinical training required by the physical therapy curriculum.

(b) If an applicant for a physical therapy license has been educated in physical therapy outside of any state, the applicant shall have graduated from a physical therapy program that in the year of graduation had educational requirements equivalent to a degree in physical therapy from a United States program accredited by the Commission on Accreditation of Physical Therapy Education.
