§14–101.1.

The Board may approve a public or private board including a multidisciplinary board as a certifying board only if the certifying board requires that, in order to be certified, a physician:

- (1) Complete a postgraduate training program that:
 - (i) Provides complete training in the specialty or subspecialty being certified; and
 - (ii) Is accredited by the Accreditation Council for Graduate Medical Education or the American Osteopathic Association; and
- (2) Be certified by the American Board of Medical Specialties or the American Osteopathic Association in the same training field.
