§7-301.

(a) The Administration shall prepare plans to meet the transit needs of the District and from time to time shall review and revise these plans.

(b) The plans shall specify:

(1) The transit facilities to be constructed or acquired, including the location of terminals, stations, and parking facilities;

(2) The character, nature, design, and location of the transit facilities;

(3) Whether the transit facilities are to be constructed or acquired by lease, purchase, or condemnation;

(4) A timetable for providing the transit facilities;

(5) Anticipated capital costs;

(6) Estimated operating expenses and revenues;

(7) The type of equipment to be used;

(8) The areas to be served and the routes and schedules of service expected to be provided;

(9) The expected fares and charges for service;

(10) The plan of financing the capital costs and operation of the transit facilities;

(11) When applicable, improvements in interjurisdictional commuter transit services including the location of corridors, routes, stations, and terminals;

(12) Improvements to fare payment systems that will:

(i) Allow for the processing of fare media in electronic form; and

(ii) Provide electronic fare media for distribution to employees as part of a commuter benefits program; and

(13) Any other information that the Administration considers relevant.

(c) A plan may provide for demonstration or testing facilities and for the use of the facilities for research and development.
