§8-322.

(a) The plats and estimates approved by the Commission shall be kept as part of the permanent records of the Commission.

(b) Notwithstanding any other statute to the contrary:

(1) Except as permitted by the Commission, the plats prepared by the Administration are not public information or open to public inspection until they have been recorded; and

(2) Except when filed with a board of property review or a court, the estimates prepared by the Administration are not public information or open to public inspection until all the property shown on the plats has been acquired or its price determined.
