3 FOR the purpose of requiring the Governor, for a certain fiscal year and for each fiscal year  
4 thereafter, to include in the budget bill an appropriation to provide certain  
5 wraparound services for a certain number of children or youth who meet certain  
6 eligibility criteria; defining certain terms; and generally relating to mental health  
7 and wraparound services for children and youth.

EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW.

[Brackets] indicate matter deleted from existing law.

1 WHEREAS, Programs that provided wraparound to children and youth with severe  
2 mental health problems, regardless of the income or insurance status of their families, have  
3 ended; and

4 WHEREAS, The recently implemented 1915(i) Medicaid State Plan Amendment,  
5 intended to provide wraparound to children and youth with severe mental health problems,  
6 is available only to a small population of children and youth because the medical necessity  
7 criteria are more stringent than the requirements for wraparound and the family of a child  
8 or youth must be Medicaid eligible and make below 151% of the federal poverty level; now,  
9 therefore,
