The bill takes effect July 1, 2016.

**Fiscal Summary**

**State Effect:** None.

**Local Effect:** Minimal increase in local revenues from additional permit fees (\$100 for each permit issued). Calvert County can monitor permits with existing resources.

**Small Business Effect:** Minimal overall, but potential meaningful impact on small businesses that are able to receive special event festival permits, which may lead to an increase in sales.

---

**Analysis**

**Current Law:** The Calvert County Board of License Commissioners may issue a special event festival beer, wine, and liquor (on-sale) permit to a Class B or Class D license holder. The applicant must demonstrate a reasonable expectation of attracting at least 750 customers and commit to providing additional security personnel at the event for traffic, parking, and patrol purposes, if required by the board. Subject to the board's discretion, the permit authorizes the holder to operate additional bars or service counters

for the sale and service of alcoholic beverages inside or outside the licensed establishment for between one and three consecutive days. The permit fee is \$100.

**Local Revenues:** In fiscal 2015 there were 122 alcoholic beverages licenses in Calvert County, of which 61 were Class B licenses and 9 were Class D licenses. Accordingly, 70 licensees qualify to apply for a special event festival beer, wine, and liquor permit. The number of qualified licensees which will seek and obtain the additional permit is unknown.
