16 that must be registered in this State is determined by dividing the gross revenue received  
17 in the preceding year for the use of such rental vehicles arising from all motor vehicle rental  
18 transactions occurring in this State by the total gross revenue received in the preceding  
19 year for the use of such rental vehicles arising from all motor vehicle rental transactions  
20 occurring in all jurisdictions in which the rental fleet is operated. The resulting percentage

17 of commercial driver's license applied for only to an individual who has passed the  
18 appropriate knowledge and vision screening tests.

19           (2)   The holder of a commercial driver's instructional permit may drive a  
20 commercial motor vehicle on a highway only when the individual is accompanied by and  
21 under the immediate supervision of the holder of a driver's license valid for the type of  
22 vehicle driven, if the accompanying driver:

23                   (i)    Is at least 21 years old; and

24                   (ii)   Has been licensed for at least 3 years in this State or in another  
25 state to drive vehicles of the class then being driven.

26           **(F)   EXCEPT AS PROVIDED IN § 16–101 OF THIS TITLE, A PERSON CONVICTED**  
27 **OF A VIOLATION OF SUBSECTION (A) OF THIS SECTION IS SUBJECT TO:**

28                   **(1)   FOR A FIRST OFFENSE, IMPRISONMENT NOT EXCEEDING 2**  
29 **MONTHS OR A FINE NOT EXCEEDING \$500 OR BOTH;**

30                   **(2)   FOR A SECOND OFFENSE, IMPRISONMENT NOT EXCEEDING 6**  
31 **MONTHS OR A FINE NOT EXCEEDING \$1,000 OR BOTH; AND**

1                   **(3) FOR A THIRD OR SUBSEQUENT OFFENSE, IMPRISONMENT NOT**  
 2 **EXCEEDING 1 YEAR OR A FINE NOT EXCEEDING \$2,000 OR BOTH.**

3           REVISOR'S NOTE: Subsection (f) of this section is new language derived without  
 4           substantive change from former § 27–101(t) of this article, as it related to this  
 5           section.

6           In the introductory language of subsection (f) of this section, the  
 7           cross-reference to “§ 16–101 of this title”, which now includes former §  
 8           27–101(y), is substituted for the erroneous cross-reference to former §  
 9           27–101(f) for accuracy. The source law for subsection (f) of this section provides  
 10          an exception to the enhanced penalties for violations relating to commercial  
 11          driver's licenses. The applicable exception, former § 27–101(f), sets forth  
 12          penalties for violations relating to possession of a motor vehicle master key  
 13          and repeat drunk and drugged driving offenses and does not explicitly  
 14          reference commercial driver's licenses. When former § 27–101(t) was enacted  
 15          by Chapter 112 of 2000, however, § 27–101(f) also included enhanced penalties  
 16          for driving without a license, which penalties were undoubtedly intended to  
 17          be the exception to the enhanced penalties under the source law. Chapter 329  
 18          of 2006 moved the enhanced penalties for driving without a license to be under  
 19          former § 27–101(y).

20 16–808.

21           (a) A person may not drive a commercial motor vehicle on any highway or any  
 22           property specified in § 21–101.1 of this article:

23                   (1) Unless authorized to do so under this title;

24                   (2) While the person's driver's license or privilege to drive is refused in this  
 25           State or any other state;

26                   (3) While the person's driver's license or privilege to drive is canceled in  
 27           this State;

28                   (4) While the person's driver's license or privilege to drive is canceled by  
 29           any other state;

30                   (5) While the person's driver's license or privilege to drive is suspended in  
 31           this State;

32                   (6) While the person's driver's license or privilege to drive is suspended by  
 33           any other state;

34                   (7) While the person's driver's license or privilege to drive is revoked in this  
 35           State;

1           (8) While the person's driver's license or privilege to drive is revoked by  
2 any other state; or

3           (9) While the person is:

4                 (i) Disqualified from driving a commercial motor vehicle in this  
5 State or any other state; or

6                 (ii) Disqualified from driving a commercial motor vehicle by the  
7 United States Department of Transportation.

8           (b) While a person is subject to a driver or vehicle out-of-service order, as defined  
9 in § 16-812(i)(1)(ii) of this subtitle, the person may not drive a commercial motor vehicle  
10 on any highway or any property specified in § 21-101.1 of this article:

11                 (1) While transporting nonhazardous materials;

12                 (2) While transporting hazardous materials required to be placarded; or

13                 (3) While operating a vehicle designed to transport 16 or more passengers,  
14 including the driver.

15           (c) If a person has been issued a valid commercial driver's license, the person may  
16 not drive a commercial motor vehicle on any highway or any property specified in §  
17 21-101.1 of this article without the valid commercial driver's license in the person's  
18 possession.

19           **(D) (1) A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (A) OF**  
20 **THIS SECTION IS SUBJECT TO IMPRISONMENT NOT EXCEEDING 5 YEARS OR A FINE**  
21 **NOT EXCEEDING \$10,000 OR BOTH.**

22           **(2) A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (C) OF**  
23 **THIS SECTION IS SUBJECT TO:**

24                 **(I) FOR A FIRST OFFENSE, IMPRISONMENT NOT EXCEEDING 6**  
25 **MONTHS OR A FINE NOT EXCEEDING \$1,000 OR BOTH;**

26                 **(II) FOR A SECOND OFFENSE, IMPRISONMENT NOT EXCEEDING**  
27 **1 YEAR OR A FINE NOT EXCEEDING \$2,000 OR BOTH; AND**

28                 **(III) FOR A THIRD OR SUBSEQUENT OFFENSE, IMPRISONMENT**  
29 **NOT EXCEEDING 2 YEARS OR A FINE NOT EXCEEDING \$3,000 OR BOTH.**

30           REVISOR'S NOTE: Subsection (d) of this section is new language derived without  
31 substantive change from former § 27-101(s)(1) and (2) of this article.

1 In subsection (d)(1) of this section, the former reference to a person being  
2 “guilty of a misdemeanor” is deleted as unnecessary in light of § 27–101 of this  
3 article, which makes any violation of the Maryland Vehicle Law a  
4 misdemeanor, except as otherwise provided.

5 16–812.

6 (a) The Administration shall disqualify any individual from driving a commercial

27 as provided by the United States Secretary of Transportation; or

28 (iv) A crime, other than a crime described in subsection (e) of this  
29 section, that is punishable by imprisonment for a term exceeding 1 year;

30 (3) The individual, while driving a commercial motor vehicle or while  
31 holding a commercial instructional permit or commercial driver’s license, refuses to  
32 undergo testing as provided in § 16–205.1 of this title or as is required by any other state’s

1 law or by federal law in the enforcement of 49 C.F.R. § 383.51 Table 1, or 49 C.F.R. §

6 prior violations committed while driving a commercial motor vehicle, the driver's  
7 commercial instructional permit or commercial driver's license is revoked, suspended, or

13 motor vehicle for life for 2 or more violations of any of the offenses specified in subsection  
14 (a) or (b) of this section, or any combination of those offenses, arising from 2 or more  
15 separate incidents.

16 (d) The Administration shall adopt regulations establishing guidelines, including  
17 conditions, under which a disqualification for life may be reduced to a period of time which  
18 may be permitted by federal regulations.

19 (e) The Administration shall disqualify any person from driving a commercial

8                   (i) "Commercial motor vehicle" means:

9                           1. A "commercial motor vehicle" as defined in § 16-803 of this  
10 subtitle; and

11                           2. Except as provided in § 16-803(c)(2) of this subtitle, any  
12 self-propelled or towed vehicle used on a public highway to transport passengers or  
13 property, if the vehicle has a gross vehicle weight rating of 10,001 or more pounds.

14                   (ii) "Out-of-service order" means a declaration by an authorized  
15 enforcement officer of a federal, State, Canadian, Mexican or local jurisdiction that a driver,

31           (k) (1) The Administration shall cancel a commercial instructional permit or

1           (2) If the Administration determines, in its check of an applicant's license  
2 status and record prior to issuing a commercial instructional permit or commercial driver's  
3 license, or at any time after the commercial instructional permit or commercial driver's  
4 license has been issued, that the applicant has falsified any information or certification

27 or commercial driver's license; and

28                   (ii) The individual's driving privilege is not otherwise refused,  
29 suspended, revoked, or canceled in this State or any other state.

30           (2) (i) The Administration may immediately reinstate an individual's  
31 noncommercial driving privilege and, subject to subparagraph (ii) of this paragraph, issue  
32 a noncommercial driver's license of an appropriate class to an individual whose commercial

35 a certificate of physical examination;

36                   2. The individual's driving privilege is not expired; and

1                               3.     The individual's driving privilege is not otherwise refused,

6               (p)   (1)   (i)    On termination of a disqualification period of less than 1 year, an  
7 individual may apply for restoration of the individual's commercial instructional permit or  
8 commercial driver's license.

9                               (ii)    The Administration shall reissue a commercial instructional

23               (q)    If an individual is disqualified based on multiple offenses committed at the  
24 same time, or arising out of circumstances simultaneous in time and place, or arising out  
25 of the same incident, the Administration:

26                              (1)    Shall disqualify the individual from driving a commercial motor vehicle  
27 for the offense which results in the lengthiest period of disqualification; and

28                              (2)    May not impose any additional periods of disqualification for the  
29 remainder of the offenses.

30               (r)    Notwithstanding any other provision of law, an offense described in this  
31 section or § 16-205.1 of this title committed by an individual in a noncommercial motor  
32 vehicle may not be considered an offense for the purposes of disqualification if the offense  
33 occurred before:

1 (1) September 30, 2005; or

2 (2) The initial issuance to the individual of a commercial instructional  
3 permit by any state.

4 REVISOR'S NOTE: Subsection (i)(2)(ii) of this section is new language derived  
5 without substantive change from former § 27-101.1(a) of this article.

6 16-813.1.

7 (A) A person may not knowingly or fraudulently obtain a commercial driver's  
8 license by misrepresentation.

9 (B) **A PERSON CONVICTED OF A VIOLATION OF THIS SECTION IS SUBJECT TO**  
10 **IMPRISONMENT NOT EXCEEDING 5 YEARS OR A FINE NOT EXCEEDING \$10,000 OR**  
11 **BOTH.**

12 REVISOR'S NOTE: Subsection (b) of this section is new language derived without  
13 substantive change from former § 27-101(s)(3) of this article.

14 In subsection (b) of this section, the former reference to a person being "guilty  
15 of a misdemeanor" is deleted as unnecessary in light of § 27-101 of this article,  
16 which makes any violation of the Maryland Vehicle Law a misdemeanor,  
17 except as otherwise provided.

18 16-815.

19 (a) (1) A Class A commercial driver's license authorizes the licensee to drive  
20 the following motor vehicles and combinations of motor vehicles:

26 (2) An individual who is issued a Class A commercial driver's license under

28 State unless a Class A commercial driver's license or an appropriately endorsed Class A  
29 commercial driver's license authorizes the individual to drive a vehicle of the class that the  
30 individual is driving or attempting to drive.

31 (b) (1) A Class B commercial driver's license authorizes the licensee to drive  
32 the following motor vehicles and combinations of motor vehicles:

6 its holder to drive.

7 (2) An individual who is issued a Class B commercial driver's license under  
8 this subsection may not drive or attempt to drive a motor vehicle on any highway in this  
9 State unless a Class B commercial driver's license or an appropriately endorsed Class B  
10 commercial driver's license authorizes the individual to drive a vehicle of the class that the  
11 individual is driving or attempting to drive.

12 (c) (1) A Class C commercial driver's license authorizes the licensee to drive

23 commercial driver's license authorizes the individual to drive a vehicle of the class that the  
24 individual is driving or attempting to drive.

25 (d) (1) A commercial driver's instructional permit authorizes the holder to  
26 operate commercial motor vehicles of Class A, B, and C subject to the conditions of Subtitle  
27 1 of this title.

28 (2) An instructional permit is not a license within the meaning of the single  
29 license restriction placed upon drivers of commercial motor vehicles.

30 (e) (1) In addition to the requirements contained in subsections (a), (b), and (c)  
31 of this section, an operator must obtain State-issued endorsements of an operator's  
32 commercial driver's license to operate commercial motor vehicles which are:

33 (i) Double/triple trailers;

1 (ii) Vehicles designed to transport 16 or more passengers including  
2 the driver (passenger vehicles);

3 (iii) School buses; or

4 (iv) Tank vehicles.

5 (2) A school bus endorsement authorized under this subsection is also an  
6 endorsement for vehicles designed to transport 16 or more passengers including the driver  
7 (passenger vehicles).

8 (f) (1) In addition to the requirements contained in subsections (a), (b), and (c)  
9 of this section, an operator must obtain a State-issued endorsement of an operator's  
10 commercial driver's license to operate a commercial motor vehicle that is required to be  
11 placarded for hazardous materials.

12 (2) Before an operator can obtain a State-issued endorsement under this

18 (4) The Department of Public Safety and Correctional Services and the  
19 Director of the Criminal Justice Information System Central Repository, in consultation  
20 with the Administration, may adopt regulations to carry out this section.

22 Information System Central Repository of the Department of Public Safety and  
23 Correctional Services.

24 (2) An operator requesting a State-issued endorsement under subsection  
25 (f) of this section shall apply to the Central Repository for a national and a State criminal  
26 history records check.

27 (3) As part of the application for a criminal history records check, the  
28 operator shall submit to the Central Repository:

29 (i) Two complete sets of the operator's legible fingerprints taken in  
30 a format approved by the Director of the Central Repository and the Director of the Federal  
31 Bureau of Investigation;

32 (ii) The fee authorized under § 10-221(b)(7) of the Criminal  
33 Procedure Article for access to Maryland criminal history records; and

1 (iii) The mandatory processing fee required by the Federal Bureau of

3 (4) (i) The Central Repository shall provide a receipt to the operator for  
4 the fees paid under paragraph (3)(ii) and (iii) of this subsection.

5 (ii) The operator's employer may pay the fees or reimburse the  
6 operator for the fees required under paragraph (3)(ii) and (iii) of this subsection.

7 (5) (i) In accordance with §§ 10–201 through 10–234 of the Criminal  
8 Procedure Article, the Central Repository shall forward to the operator and the  
9 Transportation Security Administration of the federal Department of Homeland Security,  
10 a printed statement of the operator's criminal history record information.

11 (ii) If criminal history record information is reported to the Central  
12 Repository after the date of the criminal history records check, the Central Repository shall  
13 provide to the Transportation Security Administration of the federal Department of  
14 Homeland Security and the operator a revised printed statement of the operator's criminal  
15 history record information.

16 (6) In accordance with regulations adopted by the Department of Public  
17 Safety and Correctional Services, the Administration shall verify periodically a list of  
18 operators of commercial motor vehicles that are required to be placarded for hazardous  
19 materials.

20 (7) Information obtained from the Central Repository under this section  
21 shall be:

22 (i) Confidential and may not be disseminated; and

23 (ii) Used only for the purpose authorized by this section.

24 (8) The subject of a criminal history records check under this subsection

27 **(H) EXCEPT AS PROVIDED IN § 16–101 OF THIS TITLE, A PERSON CONVICTED**  
28 **OF A VIOLATION OF SUBSECTION (E) OF THIS SECTION IS SUBJECT TO:**

29 **(1) FOR A FIRST OFFENSE, IMPRISONMENT NOT EXCEEDING 2**  
30 **MONTHS OR A FINE NOT EXCEEDING \$500 OR BOTH;**

31 **(2) FOR A SECOND OFFENSE, IMPRISONMENT NOT EXCEEDING 6**  
32 **MONTHS OR A FINE NOT EXCEEDING \$1,000 OR BOTH; AND**

**(3) FOR A THIRD OR SUBSEQUENT OFFENSE, IMPRISONMENT NOT EXCEEDING 1 YEAR OR A FINE NOT EXCEEDING \$2,000 OR BOTH.**

REVISOR'S NOTE: Subsection (h) of this section is new language derived without substantive change from former § 27-101(t) of this article, as it related to this section.

In the introductory language of subsection (h) of this section, the cross-reference to "§ 16-101 of this title", which now includes former § 27-101(y), is substituted for the erroneous cross-reference to former § 27-101(f) for accuracy. The source law for subsection (f) of this section provides an exception to the enhanced penalties for violations relating to commercial driver's licenses. The applicable exception, former § 27-101(f), sets forth penalties for violations relating to possession of a motor vehicle master key and repeat drunk and drugged driving offenses and does not explicitly reference commercial driver's licenses. When former § 27-101(t) was enacted by Chapter 112 of 2000, however, § 27-101(f) also included enhanced penalties for driving without a license, which penalties were undoubtedly intended to be the exception to the enhanced penalties under the source law. Chapter 329 of 2006 moved the enhanced penalties for driving without a license to be under former § 27-101(y).

17-107.

(a) A person who knows or has reason to know that a motor vehicle is not covered by the required security may not:

(1) Drive the vehicle; or

(2) If he is an owner of the vehicle, knowingly permit another person to drive it.

(b) (1) In any prosecution under subsection (a) of this section the introduction of the official records of the Motor Vehicle Administration showing the absence of a record that the vehicle is covered by the security required under § 17-104 of this subtitle shall be prima facie evidence that a person knows or has reason to know that a motor vehicle is not covered by the required security.

(2) The introduction of evidence of the records of the Administration may not limit the introduction of other evidence bearing upon whether the vehicle was covered by the required security.

(c) An owner or lessee of any motor vehicle registered under Title 13 of this article may not raise the defense of sovereign or governmental immunity as described under § 5-524 of the Courts and Judicial Proceedings Article.

1           **(D) A PERSON CONVICTED OF A VIOLATION OF THIS SECTION IS SUBJECT**  
2 **TO:**

3                   **(1) FOR A FIRST OFFENSE, IMPRISONMENT NOT EXCEEDING 1 YEAR**

6 **EXCEEDING 2 YEARS OR A FINE NOT EXCEEDING \$1,000 OR BOTH.**

7           REVISOR'S NOTE: Subsection (d) of this section is new language derived without  
8                   substantive change from former § 27-101(h) of this article, as it related to this  
9                   section.

10 17-110.

19 **EXCEEDING 2 YEARS OR A FINE NOT EXCEEDING \$1,000 OR BOTH.**

20           REVISOR'S NOTE: Subsection (b) of this section is new language derived without  
21                   substantive change from former § 27-101(h) of this article, as it related to this  
22                   section.

23 18-104.

24           (a) A person may not, with intent to defraud, rent to any other person any motor

27           (b) A person may not otherwise rent to any other person any motor vehicle for

12 of the accident, without obstructing traffic more than necessary.

13 (2) The driver of each vehicle involved in an accident that results in the  
14 death of another person immediately shall return to and remain at the scene of the accident  
15 until the driver has complied with § 20-104 of this title.

16 (C) (1) IN THIS SUBSECTION, "SERIOUS BODILY INJURY" MEANS AN  
17 INJURY THAT:

18 (I) CREATES A SUBSTANTIAL RISK OF DEATH;

19 (II) CAUSES SERIOUS PERMANENT OR SERIOUS PROTRACTED  
20 DISFIGUREMENT;

21 (III) CAUSES SERIOUS PERMANENT OR SERIOUS PROTRACTED  
22 LOSS OF THE FUNCTION OF ANY BODY PART, ORGAN, OR MENTAL FACULTY; OR

23 (IV) CAUSES SERIOUS PERMANENT OR SERIOUS PROTRACTED  
24 IMPAIRMENT OF THE FUNCTION OF ANY BODY PART OR ORGAN.

25 (2) (I) EXCEPT AS PROVIDED IN PARAGRAPH (3) OF THIS  
26 SUBSECTION, A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (A) OF THIS  
27 SECTION IS SUBJECT TO IMPRISONMENT NOT EXCEEDING 1 YEAR OR A FINE NOT  
28 EXCEEDING \$3,000 OR BOTH.

29 (II) EXCEPT AS PROVIDED IN PARAGRAPH (3) OF THIS  
30 SUBSECTION, A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (B) OF THIS

13           REVISOR'S NOTE: Subsection (c) of this section is new language derived without  
14           substantive change from former §§ 27-113 and 27-101(o) of this article.

15           In subsection (c)(1)(iv) of this section, the reference to any "body part" is  
16           substituted for the former reference to any "bodily member" for consistency  
17           with subsection (c)(1)(iii) of this section.

18           The Department of Legislative Services notes, for consideration by the  
19           General Assembly, that the definition of "serious bodily injury" in subsection  
20           (c)(1)(iii) of this section includes an injury that causes serious permanent or  
21           serious protracted loss of the function of any body part, organ, or mental  
22           faculty. The definition also includes, in subsection (c)(1)(iv) of this section, an  
23           injury that causes serious permanent or serious protracted impairment of the  
24           function of any body part or organ, but does not include an injury that causes  
25           serious permanent or serious protracted impairment of the function of any  
26           mental faculty. The General Assembly may wish to address this inconsistency.

27           20-103.

29           to an attended vehicle or other attended property immediately shall stop the vehicle as

31           necessary.

32           (b)    The driver of each vehicle involved in an accident that results only in damage  
33           to an attended vehicle or other attended property shall return to and remain at the scene  
34           of the accident until he has complied with § 20-104 of this title.

1           **(C) A PERSON CONVICTED OF A VIOLATION OF THIS SECTION IS SUBJECT TO**  
2 **IMPRISONMENT NOT EXCEEDING 2 MONTHS OR A FINE NOT EXCEEDING \$500 OR**  
3 **BOTH.**

4           REVISOR'S NOTE: Subsection (c) of this section is new language derived without  
5 substantive change from former § 27-101(c)(12) of this article.

6 20-104.

10 requests medical treatment or it is apparent that medical treatment is necessary, arrange  
11 for the transportation of the person to a physician, surgeon, or hospital for medical

18                 (2) The driver, occupant of, or person attending any vehicle or other  
19 property damaged in the accident.

20           (c) The driver of each vehicle involved in an accident that results in bodily injury  
21 to or death of any person or in damage to an attended vehicle or other attended property  
22 shall give the same information described in subsection (b) of this section and, on request,  
23 exhibit his license to drive, if it is available, to any police officer who is at the scene of or  
24 otherwise is investigating the accident.

25           (d) If a police officer is not present and none of the specified persons is in condition  
26 to receive the information to which the person otherwise would be entitled under this  
27 section, the driver, after fulfilling to the extent possible every other requirement of §  
28 20-102 of this title and subsection (a) of this section, immediately shall report the accident  
29 to the nearest office of an authorized police authority and give the information specified in

5 (b) Subject to the provisions of subsection (c) of this section, the driver of each  
6 vehicle involved in an accident that results in damage to an unattended vehicle or other  
7 unattended property shall attempt to locate the driver, owner, or person in charge of the  
8 damaged vehicle or other property and notify him of:

9 (1) His name and address;

10 (2) The registration number of the vehicle he is driving; and

11 (3) The name and address of the owner of that vehicle.

12 (c) If the driver, owner, or person in charge of the damaged vehicle or other  
13 property cannot be located, **THE DRIVER OF EACH VEHICLE INVOLVED IN AN ACCIDENT**  
14 **THAT RESULTS IN DAMAGE TO AN UNATTENDED VEHICLE OR OTHER UNATTENDED**

25 other unattended property" is added for clarity.

26 Also in subsection (c) of this section, the reference to the information "required  
27 under subsection (b) of this section" is substituted for the former reference to

12 another "person" is added for clarity and consistency with § 20-102(c) of this  
13 article.

14           In subsection (b)(1) of this section, the former reference to a person being

30           (c) If, at a marked crosswalk or at an unmarked crosswalk at an intersection, a  
31 vehicle is stopped to let a pedestrian cross the roadway, the driver of any other vehicle  
32 approaching from the rear may not overtake and pass the stopped vehicle.

12 contested;

13 (ii) The statutory defenses described in subsection (g) of this section  
14 that were originally included in the notice of toll due; and

15 (iii) A warning that failure to pay the video toll and civil penalty, to  
16 contest liability in the manner and time prescribed, or to appear at a trial requested is an  
17 admission of liability and a waiver of available defenses, and may result in the refusal or  
18 suspension of the motor vehicle registration and referral for collection.

19 (5) A person alleged to be liable receiving the citation for a toll violation  
20 under this section may:

21 (i) Pay the video toll and the civil penalty directly to the Authority;

27 after having elected to stand trial, the Authority or its duly authorized agent may:

29 collection as provided by law; and

1                   2.     Notify the Administration of the failure to pay the video  
2 toll and civil penalty in accordance with [§ 27–110 of this article] **SUBSECTION (I) OF THIS**  
3 **SECTION.**

4                   (ii)    No additional hearing or proceeding is required before the  
5 Administration takes action with respect to the [registered] **MOTOR** vehicle of the  
6 **REGISTERED** owner under [§ 27–110 of this article] **SUBSECTION (I) OF THIS SECTION.**

7           (e)    (1)    A certificate alleging that a toll violation occurred and that the video  
8 toll payment was not received before the civil penalty was assessed, sworn to or affirmed  
9 by a duly authorized agent of the Authority, based upon inspection of a recorded image and  
10 electronic toll collection records produced by an electronic toll collection video monitoring  
11 system shall be evidence of the facts contained therein and shall be admissible in any  
12 proceeding alleging a violation under this section without the presence or testimony of the  
13 duly authorized agent who performed the requirements under this section.

14                   (2)    The citation, including the certificate, shall constitute prima facie  
15 evidence of liability for the toll violation and civil penalty.

16           (f)    Adjudication of liability under this section:

17                   (1)    Shall be based upon a preponderance of evidence;

19 under the Motor Vehicle Code;

20                   (3)    May not be made part of the registered owner's motor vehicle operating  
21 record; and

25 a person other than the registered owner without the express or implied consent of the  
26 registered owner, and if the registered owner by the date stated on the notice of toll due  
27 provides the Authority or its duly authorized agent with a notarized admission by the  
28 person accepting liability which shall include that person's name, address, and driver's  
29 license identification number, then the person accepting liability shall be liable under this  
30 section and shall be sent a notice of toll due.

31                   (2)    If the registered owner is a lessor of motor vehicles, and at the time of  
32 the video toll transaction the motor vehicle involved was in the possession of a lessee, and  
33 the lessor by the date stated on the notice of toll due provides the Authority or its duly  
34 authorized agent with a copy of the lease agreement or other documentation acceptable to  
35 the Authority identifying the lessee, including the person's name, address, and driver's  
36 license identification number or federal employer identification number, then the lessee  
37 shall be liable under this section and shall be sent a notice of toll due.

1 (3) If the motor vehicle involved in a video toll transaction is operated using  
2 a dealer or transporter registration plate, and at the time of the video toll transaction the  
3 motor vehicle was under the custody and control of a person other than the owner of the  
4 dealer or transporter registration plate, and if the owner of the dealer or transporter  
5 registration plate by the date stated on the notice of toll due provides to the Authority or  
6 its duly authorized agent a copy of the contractual agreement or other documentation  
7 acceptable to the Authority identifying the person, including the person's name, address,  
8 and driver's license identification number, who had custody and control over the motor  
9 vehicle at the time of the video toll transaction, then that person and not the owner of the  
10 dealer or transporter registration plate shall be liable under this section and shall be sent  
11 a notice of toll due.

12 (4) If a motor vehicle or registration plate number is reported to a law  
13 enforcement agency as stolen at the time of the video toll transaction, and the registered  
14 owner by the date stated on the notice of toll due provides to the Authority or its duly  
15 authorized agent a copy of the police report substantiating that the motor vehicle was stolen  
16 at the time of the video toll transaction, then the registered owner of the motor vehicle is  
17 not liable under this section.

18 (h) Notwithstanding any other provision of law, until the Authority refers the  
19 debt to the Central Collection Unit, the Authority may waive any portion of the video toll  
20 due or civil penalty assessed under this section.

2 carriers to allow electronic signaling through CVISN.

3                   (4)   “Police officer” means:

4                   (i)   Any uniformed police officer;

5                   (ii)   Any civilian employee of the Department of State Police or the  
6 Maryland Transportation Authority Police assigned to enforce this subtitle, but only while  
7 acting under written authorization of the Secretary of State Police; or

8                   (iii)  Any civilian employee of a local government who is:

9                               1.   Acting under the immediate direction and control of a  
10 uniformed police officer;

11                              2.   Acting under written authorization of the Secretary of  
12 State Police; and

13                              3.   Certified by the Department of State Police to perform the  
14 weighing and measurement authorized under this section.

15           (b)   (1)   The driver of a vehicle must stop and submit the vehicle to a  
16 measurement or weighing:

17                   (i)   When directed by a police officer who has reason to believe that  
18 the size or weight of a vehicle being driven on a highway violates this subtitle; or

19                   (ii)  When directed by an electronic signal to a CVISN transponder.

20           (2)   The weighing authorized by this subsection:

21                   (i)   May be done with either portable or stationary scales; and

22                   (ii)  In either case, shall be done by methods established by experts  
23 in the field of weights and measures and adopted by rule or regulation of the Department  
24 of State Police.

25           (3)   If more than 1 statutory weight limit tolerance applies to a vehicle being  
26 weighed under this section, the police officer shall grant only the greatest applicable  
27 tolerance.

28           (c)   The operation of a vehicle on any highway in this State constitutes the consent  
29 of the driver and the owner of the vehicle to the measurement and weighing provided for  
30 in this section.

1 (d) (1) The driver of a vehicle shall obey every sign and every direction of a  
 2 police officer or an electronic signal to a CVISN transponder to stop the vehicle and submit  
 3 it to measurement or weighing.

4 (2) If a driver fails or refuses to comply with the direction of a police officer  
 5 or an electronic signal to a CVISN transponder to submit a vehicle to measurement or  
 6 weighing, the police officer shall have the authority to take the vehicle and its load into  
 7 temporary custody for the purpose of weighing and measuring.

8 (3) The police officer may utilize resources specified in [§ 27–111(b)] §  
 9 **16–303.1(B)** of this article to conduct the weighing or measuring.

10 (4) In addition to any fine or penalty attributable to the weighing and  
 11 measuring, or other offense, the driver is[:

12 (i) Subject to a fine and penalty specified in § 27–101(l) of this  
 13 article; and

14 (ii) Responsible] **RESPONSIBLE** for any actual costs incurred in  
 15 weighing and measuring the vehicle and its load because of the driver’s failure or refusal  
 16 to comply with the direction of a police officer or an electronic signal to a CVISN  
 17 transponder.

18 (e) A sign used to direct vehicles under this section may be displayed only by a  
 19 police officer who is assigned to enforce this title.

20 **(F) A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (D) OR (E) OF**  
 21 **THIS SECTION IS SUBJECT TO:**

22 **(1) FOR A FIRST OFFENSE, A FINE NOT EXCEEDING \$1,000;**

23 **(2) FOR A SECOND OFFENSE, A FINE NOT EXCEEDING \$2,000; AND**

24 **(3) FOR A THIRD OR SUBSEQUENT OFFENSE, A FINE NOT EXCEEDING**  
 25 **\$3,000.**

26 REVISOR’S NOTE: Subsection (f) of this section is new language derived without  
 27 substantive change from former § 27–101(l) of this article, as it related to this  
 28 section.

29 In subsection (d)(4) of this section, the former reference to penalties “specified  
 30 in § 27–101(l) of this article” is deleted as unnecessary in light of the  
 31 incorporation of those penalties into this section.

32 The Department of Legislative Services notes, for consideration by the  
 33 General Assembly, that the source law for this revised section imposes two

1 separate duties on drivers. Under subsection (b) of this section, a driver is  
2 required to stop and submit a vehicle to measurement or weighing when  
3 directed by (1) a police officer “who has reason to believe” that a size or weight  
4 violation exists; or (2) a commercial vehicle information systems and network  
5 signal (CVISN). Under subsection (d) of this section, a driver is required to  
6 obey a signal or direction of a police officer or a CVISN transponder to stop  
7 the vehicle and submit to measurement or weighing. The duties imposed  
8 under subsection (b) of this section are wholly included under the duties  
9 imposed under subsection (d) of this section.

10 The enhanced penalties that are being revised into this section explicitly do  
11 not apply to subsection (b) of this section. In fact, the penalty deposit schedule  
12 produced by the District Court establishes prepay penalties for subsection (d)  
13 of this section in accordance with the enhanced penalties but does not include  
14 any prepay penalties for a violation of subsection (b) of this section. The  
15 General Assembly may wish to clarify this section by repealing subsection (b)  
16 of this section.

17 24–111.1.

18 (a) Except as otherwise provided in this section, as to any vehicle found to exceed  
19 the weight limits permitted under this subtitle, if the overweight does not exceed 5,000  
20 pounds, a police officer may require the driver to unload the excess weight.

21 (b) Except as otherwise provided in this section, as to any vehicle found to exceed  
22 the weight limits permitted under this subtitle, if the overweight exceeds 5,000 pounds, the  
23 vehicle may not be moved until the excess weight is unloaded.

24 (c) Except on interstate highways, if an overweight vehicle bears registration  
25 plates issued by this State and is transporting liquid milk in bulk from the producer, the  
26 vehicle may be granted a 5 percent tolerance on the applicable registration or statutory  
27 gross weight limit. However, a tolerance granted under this subsection may not permit the  
28 gross weight of the vehicle to exceed 80,000 pounds.

29 (d) As to an overweight vehicle carrying an indivisible load:

30 (1) If it is the first indivisible load overweight violation by the driver of the  
31 vehicle, the vehicle may be allowed to proceed, after a permit to do so is obtained from the  
32 State Highway Administration; and

33 (2) If it is a second or subsequent indivisible load overweight violation by  
34 the driver of the vehicle, the vehicle shall return with its load to its place of entry or origin  
35 in this State, after a permit to do so is obtained from the State Highway Administration.

36 (e) As to an overweight vehicle carrying perishable products as its only load, the  
37 vehicle shall be allowed to proceed to its destination if:

1 (1) It is the first perishable load overweight violation by the driver of the  
 2 vehicle following a period of at least 365 consecutive days without a perishable load  
 3 overweight violation; and

4 (2) The overweight does not exceed 5,000 pounds.

5 (f) All material or cargo unloaded under this section shall be cared for by the  
 6 motor carrier or operator of the vehicle at the risk of the motor carrier or operator.

7 **(G) A PERSON CONVICTED OF A VIOLATION OF SUBSECTION (B), (D)(2), OR**  
 8 **(E) OF THIS SECTION IS SUBJECT TO:**

9 **(1) FOR A FIRST OFFENSE, A FINE NOT EXCEEDING \$1,000;**

10 **(2) FOR A SECOND OFFENSE, A FINE NOT EXCEEDING \$2,000; AND**

11 **(3) FOR A THIRD OR SUBSEQUENT OFFENSE, A FINE NOT EXCEEDING**  
 12 **\$3,000.**

13 REVISOR'S NOTE: Subsection (g) of this section is new language derived without  
 14 substantive change from former § 27-101(l) of this article, as it related to this  
 15 section.

16 In the introductory language of subsection (g) of this section, the  
 17 cross-reference to subsection (e) of this section is substituted for the former  
 18 cross-reference to subsection (e)(2) of this section for accuracy. Chapter 177 of  
 19 2012 amended § 24-111.1 of this article to be in its present form. Before  
 20 Chapter 177 was enacted, subsection (e)(1) of the former law authorized the  
 21 driver of a vehicle with an overweight load of perishable products to proceed  
 22 to the vehicle's destination if it was the first perishable load overweight  
 23 violation by the driver in the calendar year. Subsection (e)(2) of the former law  
 24 established a duty for a second or subsequent violation in a calendar year that  
 25 any excess weight be unloaded before moving the vehicle. Section 27-101(l) of  
 26 this article provided enhanced penalties for failure to unload excess perishable  
 27 goods under subsection (e)(2) of the former law (the only provision of  
 28 subsection (e) that imposed a duty on the driver). Chapter 177, however,  
 29 rewrote § 24-111.1(e) of this article to authorize the driver of a vehicle with  
 30 an overweight load of perishable products to proceed to the vehicle's  
 31 destination if (1) it is the first perishable load overweight violation by the  
 32 driver in the previous 365 days (under new subsection (e)(1)); and (2) the  
 33 overweight does not exceed 5,000 pounds (under new subsection (e)(2)). Thus,  
 34 a person must fail to meet both conditions under subsection (e)(1) and (2)  
 35 before a duty is imposed. Chapter 177, however, did not amend § 27-101(l) by  
 36 correcting the cross-reference to reflect the new formulation of the required  
 37 duty (i.e., from subsection "(e)(2)" to subsection "(e)").

1 24-112.

2 (a) (1) The State Highway Administration may issue a permit allowing an  
3 oversized vehicle to use the highways in this State.

4 (2) For each permit issued under this subsection, the State Highway  
5 Administration shall charge a fee of not less than \$30.

6 (b) (1) The State Highway Administration may issue a permit allowing an  
7 overweight vehicle to use the highways in this State.

8 (2) For each permit issued under this subsection, the State Highway  
9 Administration shall charge a fee of not less than:

10 (i) \$30 for the first 45 tons (90,000 pounds) or less of gross weight of  
11 the vehicle; and

12 (ii) \$5 for each additional ton (2,000 pounds) or part of a ton in excess  
13 of 45 tons.

14 (c) The Secretary is authorized to promulgate rules and regulations for the  
15 purpose of establishing a schedule of fees for permits issued under this section using dollar  
16 amounts that will recover but not exceed the administrative costs associated with issuance  
17 and use of the permits, including compliance monitoring.

18 (d) Each permit issued under this section shall specify:

19 (1) The maximum size or weight permitted;

20 (2) The route to be followed; and

21 (3) The date and hour on which the trip is to be made.

22 (e) (1) A person may not violate any condition of a permit issued under this  
23 section.

24 (2) A person may not move an oversized or overweight load which requires  
25 a permit under this section without first obtaining the permit and having the permit in the  
26 person's possession.

27 **(F) A PERSON CONVICTED OF A VIOLATION OF THIS SECTION IS SUBJECT**  
28 **TO:**

29 **(1) FOR THE FIRST OFFENSE, A FINE NOT EXCEEDING \$1,000;**

30 **(2) FOR A SECOND OFFENSE, A FINE NOT EXCEEDING \$2,000; AND**

1           **(3) FOR A THIRD OR SUBSEQUENT OFFENSE, A FINE NOT EXCEEDING**  
2 **\$3,000.**

3           REVISOR'S NOTE: Subsection (f) of this section is new language derived without  
4 substantive change from former § 27-101(u) of this article.

5 24-303.

6           (a) (1) When located on the right-of-way of any State highway, a mobile  
7 seafood or produce vendor may not sell, or offer for sale, any seafood or produce, unless the  
8 vendor has a lease from the State that allows the vendor to sell, or offer for sale, seafood or  
9 produce.

10           (2) The State may require a mobile seafood or produce vendor to submit an  
11 application and pay a reasonable fee to be applied to administrative costs.

12           (3) The State may not enter into a lease with a mobile produce vendor  
13 unless the applicable county licenses mobile produce vendors.

14           (b) A mobile seafood or produce vendor may not sell, or offer for sale, any seafood  
15 or produce, when located:

16           (1) Within 50 yards of any vehicular entrance to or exit from a school or  
17 place of worship, unless the vendor has written permission of the applicable school board  
18 or person who is responsible for the buildings and grounds of the place of worship;

19           (2) Within 100 yards of any vehicular entrance to or exit from any shopping  
20 center;

21           (3) In the parking lot of any shopping center, unless the vendor has written  
22 permission of the owner of the shopping center and conforms to applicable local laws and  
23 ordinances;

24           (4) Within an unsafe distance, as determined by the local authorities, from  
25 the edge of any roadway;

26           (5) On any roadway; or

27           (6) On private property adjoining a State highway, unless the vendor owns  
28 or leases the property or has written permission from the property owner.

29           (c) The State Highway Administration may adopt regulations to implement this  
30 section.

31 24-304.

1 (a) [A violation of this subtitle is a misdemeanor punishable by the penalty  
2 specified in § 27–101(b) of this article.

3 (b)] The charging of a person with a violation of this subtitle shall be by means of  
4 a traffic citation in the form determined under § 1–605(d) of the Courts Article.

5 [(c)] (B) The charging of a person with a violation of this section may be  
6 performed by any State or local police officer.

7 REVISOR'S NOTE: Subsection (a) of this section is repealed as unnecessary in light  
8 of § 27–101 of this article, which makes any violation of the Maryland Vehicle  
9 Law a misdemeanor punishable by a \$500 fine, except as otherwise provided.

10 **SUBTITLE 4. PENALTIES FOR CERTAIN WEIGHT VIOLATIONS.**

11 **24–401.**

12 (A) (1) THIS SECTION APPLIES TO A PERSON WHO VIOLATES THE  
13 MARYLAND VEHICLE LAW BY EXCEEDING, AS TO ANY VEHICLE OR COMBINATION OF  
14 VEHICLES:

15 (I) THE MAXIMUM WEIGHT LIMIT FOR WHICH THE VEHICLE OR  
16 COMBINATION OF VEHICLES IS REGISTERED;

17 (II) A STATUTORY WEIGHT LIMIT; OR

18 (III) SUBJECT TO PARAGRAPH (2)(I) OF THIS SUBSECTION, THE  
19 MAXIMUM WEIGHT LIMIT IMPOSED BY SIGNS THAT HAVE BEEN PLACED TO  
20 REGULATE THE WEIGHT OF A VEHICLE PASSING OVER A BRIDGE OR CULVERT UNDER  
21 § 24–206 OF THIS TITLE.

22 (2) THIS SECTION DOES NOT APPLY TO A PERSON WHO:

23 (I) VIOLATES A WEIGHT LIMIT IMPOSED BY SIGNS IF THERE  
24 ARE NO SIGNS POSTING THE WEIGHT LIMIT LOCATED:

25 1. AT THE BRIDGE OR CULVERT; AND

26 2. BEFORE THE LAST AVAILABLE ALTERNATE ROUTE

26           REVISOR'S NOTE: This section is new language derived without substantive  
27           change from former § 27-105 of this article.

28           In the introductory language of subsection (a)(1) of this section, the former  
29           inaccurate reference to a person who is "charged with" a weight violation is  
30           deleted as the penalties implicitly apply to a person who is convicted of a  
31           weight violation.

1 In subsection (a)(1)(i) of this section, the former redundant reference to the  
2 maximum “registered” weight limit is deleted as included in the reference to  
3 the maximum weight limit for which the vehicle “is registered”.

4 In subsection (a)(1)(ii) of this section, the former redundant reference to a  
5 statutory weight limit “set forth in the Maryland Vehicle Law” is deleted as  
6 included in the reference to weight violations under “the Maryland Vehicle  
7 Law” in the introductory language of subsection (a)(1) of this section.

8 The introductory language of subsection (a)(2) of this section is added for  
9 clarity and consistency with subsection (a)(1) of this section.

10 In subsection (a)(2)(i) of this section, the reference to posting the “weight limit”  
11 is substituted for the former reference to posting the “restriction” for clarity  
12 and consistency within this section.

13 In subsection (a)(2)(ii) of this section, the former clause “, as defined in §  
14 11–118 of this article,” is deleted as unnecessary because all of the defined  
15 terms in Title 11 of this article apply throughout the Maryland Vehicle Law.

16 In the introductory language of subsections (b), (c), and (d) of this section, the  
17 references to a “weight limit [or violation] to which this section applies” are  
18 substituted for the former references to a “registered weight limit, statutory  
19 weight limit, or weight limit imposed by signs” for clarity and brevity.

20 In the introductory language of subsection (b) of this section, the former  
21 reference to a “loading error” is deleted as included in the reference to a  
22 “tolerance”.

23 In the introductory language of subsections (c) and (d) of this section, the  
24 former references to fines “in addition to court costs” are deleted because court  
25 costs are separate from and paid in addition to a fine for a traffic violation. *See*  
26 § 7–301 of the Courts Article. In addition, prepay fines for traffic violations set  
27 by the District Court in the penalty deposit schedule include court costs.

28 Also in the introductory language of subsections (c) and (d) of this section, the  
29 former redundant references to “weight violations that occur” on any highway  
30 or the Chesapeake Bay Bridge are deleted as included in the references to a  
31 “weight violation to which this section applies” on any highway or the  
32 Chesapeake Bay Bridge for clarity and brevity.

33 In subsection (f) and the introductory language of subsection (g)(1) of this  
34 section, the references to a “weight” violation are added for clarity and  
35 consistency within this section.

36 In subsection (f) of this section, the reference prohibiting “a court” from  
37 suspending or reducing a fine is added for clarity.

1 In the introductory language of subsection (g)(1) of this section, the reference  
2 to an out-of-state vehicle “subject to a weight violation” is substituted for the  
3 former reference to an out-of-state vehicle “being operated at the time the  
4 offense is committed” for clarity, brevity, and to more explicitly connect the  
5 vehicle to the violation.

6 In subsection (g)(1)(i) of this section, the reference to a person being subject to  
7 “a citation” and further proceedings is added for clarity.

8 Subsection (g)(2) of this section, formerly § 27–105(f)(2), is rewritten for clarity  
9 and brevity.

10 In subsection (g)(2) of this section, the former clause “, and the cargo may not  
11 be held” is deleted as implicit in the prohibition against impounding cargo.

12 The Department of Legislative Services notes, for consideration by the  
13 General Assembly, that there are overlaps in the graduated schedules of  
14 excess weight fines in subsections (c) and (d) of this section (*e.g.*, “over 5,000  
15 pounds” and “less than 5,001 pounds”). The General Assembly may wish to  
16 amend these subsections to eliminate the overlaps.

17 The Department of Legislative Services further notes, for consideration by the  
18 General Assembly, that revised subsection (g)(1)(ii) of this section (former §  
19 27–105(f)), among other things, requires the impoundment of an out-of-state  
20 vehicle subject to a weight violation. This provision may well raise  
21 constitutional issues under the federal “dormant” commerce clause, in that it  
22 could be interpreted as interfering with interstate commerce. As a practical  
23 matter, the Department of State Police states that it does not impound these  
24 vehicles and has not done so for decades (if ever). The General Assembly may  
25 wish to repeal this provision.

26 25–110.

27 (a) (1) With the advice of the State Department of Education, the Motor  
28 Vehicle Administration shall adopt and enforce rules and regulations not inconsistent with  
29 the Maryland Vehicle Law to govern the safe operation of all school vehicles.

30 (2) The following shall be subject to the rules and regulations adopted  
31 under this section:

32 (i) Every school or school district and its officers and employees;

33 (ii) Every person employed under contract by a school or school  
34 district; and

35 (iii) Every person that owns or operates a school vehicle.

1 (b) (1) Any officer or employee of any school or school district who violates any  
2 rule or regulation adopted under this section or fails to include the obligation to comply  
3 with these rules and regulations in any contract executed by him on behalf of a school or  
4 school district is guilty of misconduct and subject to removal from office or employment.

5 (2) (I) [Any] A person that owns or operates a school vehicle [and  
6 violates] **MAY NOT VIOLATE** any rule or regulation adopted under this section [is guilty of  
7 a misdemeanor and the].

8 (II) A vehicle involved **IN A VIOLATION UNDER SUBPARAGRAPH**  
9 **(I) OF THIS PARAGRAPH** is subject to suspension or revocation of its registration.

10 REVISOR'S NOTE: Subsection (b)(2) of this section is revised in standard language  
11 used to state a prohibition.

12 The former reference to being "guilty of a misdemeanor" is repealed as  
13 unnecessary in light of § 27–101 of this article, which makes a violation of the  
14 Maryland Vehicle Law a misdemeanor punishable by a \$500 fine, except as  
15 otherwise provided.

16 25–111.

17 (a) (1) In this section the following words have the meanings indicated.

18 (2) (i) "Direct assistance" means the provision of transportation and  
19 other relief services by a motor carrier or its drivers for the immediate restoration of
