10. Description and Purpose of Organization (Limit length to visible area)							

Named the State Theater of Maryland in 1978, Baltimore Center Stage has steadily grown as a leader in the national theater scene. Under the leadership of Artistic Director Kwame Kwei-Armah OBE and Managing Director Michael Ross, Baltimore Center Stage is committed to creating and presenting a diverse array of world premieres and exhilarating interpretations of established works.

11. Description and Purpose of Project (Limit length to visible area)

Baltimore Center Stage is a pillar of the downtown area. The theater inhabits a historic building in the heart of Mt. Vernon. Capital support will finance the remedies to several limiting problems. Public spaces were functionally inadequate and provided insufficient space. That issue has been addressed. Insufficient space severely limited educational and family programming and the number of students served. A new Education Suite addresses these issues Mechanical systems, electrical wiring and antiquated plumbing systems are obsolete or deficient and undermine security and safety. These issues have been addressed. The renovation project is complete. The Grand Opening is scheduled. We appreciate the assistance and support of the citizens of Maryland.

Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.
