10. Description and Purpose of Organization (Limit length to visible area)				
<p>TLC serves nearly 2,000 children and adults annually with a wide range of special needs. Our mission is to improve the lives and expand possibilities for individuals with disabilities through offering a family of services within one organization. TLC's Katherine Thomas School (KTS) has been empowering students with learning differences in Preschool - 12th grade since 1995. KTS provides an exceptional educational experience to children with moderate to severe language and learning disabilities, and mild to moderate autism, mild intellectual disabilities and other health impairments. KTS serves over 140 students, both publicly funded and private pay, from Maryland, DC and Northern Virginia. The Katherine Thomas School holds a certificate of approval from the Maryland State Department of Education (MSDE).</p>				

**11. Description and Purpose of Project (Limit length to visible area)**

1. Complete removal/replacement of approximately 27,000 square feet of our 21 year old original roof. The existing roof is in disrepair and causes water leakage into the building. A new roof is essential to prevent water damage. This project will need to be completed in 2 phases over 2017 and 2018 so that we can continue to educate students during the construction. 2. Replacement of approximately 22,000 square feet of existing carpet with durable, long lasting rubber tile which is more appropriate for a school environment. The existing carpet is worn and has stains that are not removable. 3. Masonry repair of lintels which serve as horizontal support across window and door openings. It takes the load from the structure above and gives it support. Twelve lintels need to be replaced in order to ensure that the building remains structurally sound. 4. Resurfacing areas of the existing parking lot to ensure safety of both students and staff.

*Round all amounts to the nearest \$1,000. The totals in Items 12 (Estimated Capital Costs) and 13 (Proposed Funding Sources) must match. The proposed funding sources must not include the value of real property unless an equivalent value is shown under Estimated Capital Costs.*
