1	Preamble
2 3 4	WHEREAS, The unreasonable detention of defendants found incompetent to stand trial or not criminally responsible outside a treatment facility is a serious public safety risk and a violation of the U.S. Constitution; and
5 6	WHEREAS, Keeping potentially dangerous, seriously mentally ill defendants from treatment exacerbates their problems and violates their right to due process; and
7 8 9	WHEREAS, These individuals should promptly undergo competency restoration in a hospital designated by the Maryland Department of Health and not in a correctional facility; and
10 11 12 13	WHEREAS, The crisis of delayed treatment for seriously mentally ill and incompetent defendants in Maryland has been foreseeable for many years and well-documented, facilitated by a steady reduction in capacity and staff of State hospitals while the demand for forensic beds has remained constant; and
14 15 16 17	WHEREAS, On August 28, 2017, the Maryland Court of Appeals, in Fredia Powell, et al. v. Maryland Department of Health, et al., No. 77, September Term 2016, held that, contrary to the intent of the General Assembly, the Annotated Code of Maryland does not authorize a court to set a deadline for admission of a defendant into a hospital; and
18 19 20	WHEREAS, Seriously mentally ill and incompetent defendants will continue to be unlawfully housed in detention centers unless the courts have authority to impose deadlines to enforce court orders; now, therefore,
